Weekly Principal Updates & News

Vision: Conway Middle School is a school where teachers teach **standards-based, grade-level lessons**, in a **safe environment** where students are **learning** and **teacher growth and leadership** is fostered.

We have almost made it to our first official school break of the year. Fall break is only 3 days away. So, with that being said, short week, short newsletter!

Remember that I will be out of the building on Monday and Tuesday to attend the Continuous Improvement Summit. If you need me, you can call, text or email me.

September 27, 2022- This week we will have PLC meetings. Please make sure that you are following the PLC protocols and guidelines shared with you by Ms. Little. Remember that our vision is always our guiding principle.

We only have two more home volleyball games. Please try to come see our girls play if you haven't made it to a game yet.
