\$1000 OF EXCESS LTD COVERAGE

AT NO COST

Now, employees under age 35 who are working more than 18 hours per week (in Signature/Supreme) are eligible to apply for up to an additional \$1000 of long term disability coverage **at no cost.** This additional coverage is subject to medical underwriting and is above and beyond the \$1000 of LTD coverage already included with Signature & Supreme.

THE IMPORTANCE OF LTD COVERAGE

Protecting one's ability to earn an income is something that is often overlooked by many until it's too late - especially by those who are young and healthy. At HCP, we believe in the importance of this coverage and know that life can change in the blink of an eye, which is why we developed a special long term disability offering to those under 35.

HERE'S HOW TO APPLY:

Taking advantage of this offer only requires a few simple steps. A small reminder before you get started, Signature & Supreme come standard with \$1000 of coverage so don't forget to factor that in when determining your maximum LTD eligibility!

- 1 Determine the maximum that you can apply for by calculating 65% of your gross monthly salary (up to \$5000).
- Use the optional coverage worksheet (Form 4) in the enrollment kit to determine the number of units being applied for and calculate your monthly cost, if any. Please submit this with your application.
- Complete the plan member group health form (Form 3) and submit with your application.
- Once received by our office, the medical underwriting process will begin and you will be notified of your status once complete.

If coverage is approved, you will be notified and any additional premiums (in excess of the additional \$1000 of LTD) will be automatically withdrawn from your account on a monthly basis.

It is your sole responsibility to make Health Care Providers aware of any such changes at the time of occurrence. Any premium paid towards coverage for which you were ineligible or which you no longer required as a result of non-contact at the time of the changes will not be refunded.

Premium Payment

A deposit and first month premium payment are required with each enrollment. Both payments are equal to the monthly premium for the plan into which you are enrolling.

Deposit and First Month Premium

A deposit and first month premium payment are required with each enrollment. Both payments are equal to the monthly premium for the plan into which you are enrolling.

The deposit will be held in trust for the duration of the time you are covered under the HCP plan and may serve to ensure there is no disruption in your coverage should we not be able to collect payment from you in any given month - ie. - insufficient funds.

If not used to cover premium, it will be returned to you at the time of termination.

The first month premium is used to cover the cost of your first month of coverage under the plan.

You can pay the deposit and first month premium by cheque or credit card.

If you choose to pay the deposit and first month premium by cheque, your deposit cheque is to be dated the same date as your enrollment forms and WILL be cashed when the enrollment forms are received. This cheque is NOT VOID and must be payable to HCP Group Insurance Plan.

Your first month premium cheque is to be dated for the first month in which your coverage will begin. This cheque is NOT VOID and must be payable to HCP Group Insurance Plan.

Ongoing Monthly Premium Payment

Following your enrollment, ongoing monthly premium payments are made by pre-authorized, automatic debit from the chequing account of your choice.

The withdrawal will occur on your last pay day each month and are used to pay for your coverage for the following month. You must provide banking details with your enrollment (i.e.: a void cheque, pre-authorized debit form or banking details listed on the enrollment form).
