<b>2024-25</b>	<b>114.43 PAYT</b>
<b>2025-26</b>	<b>81.29 to date</b>

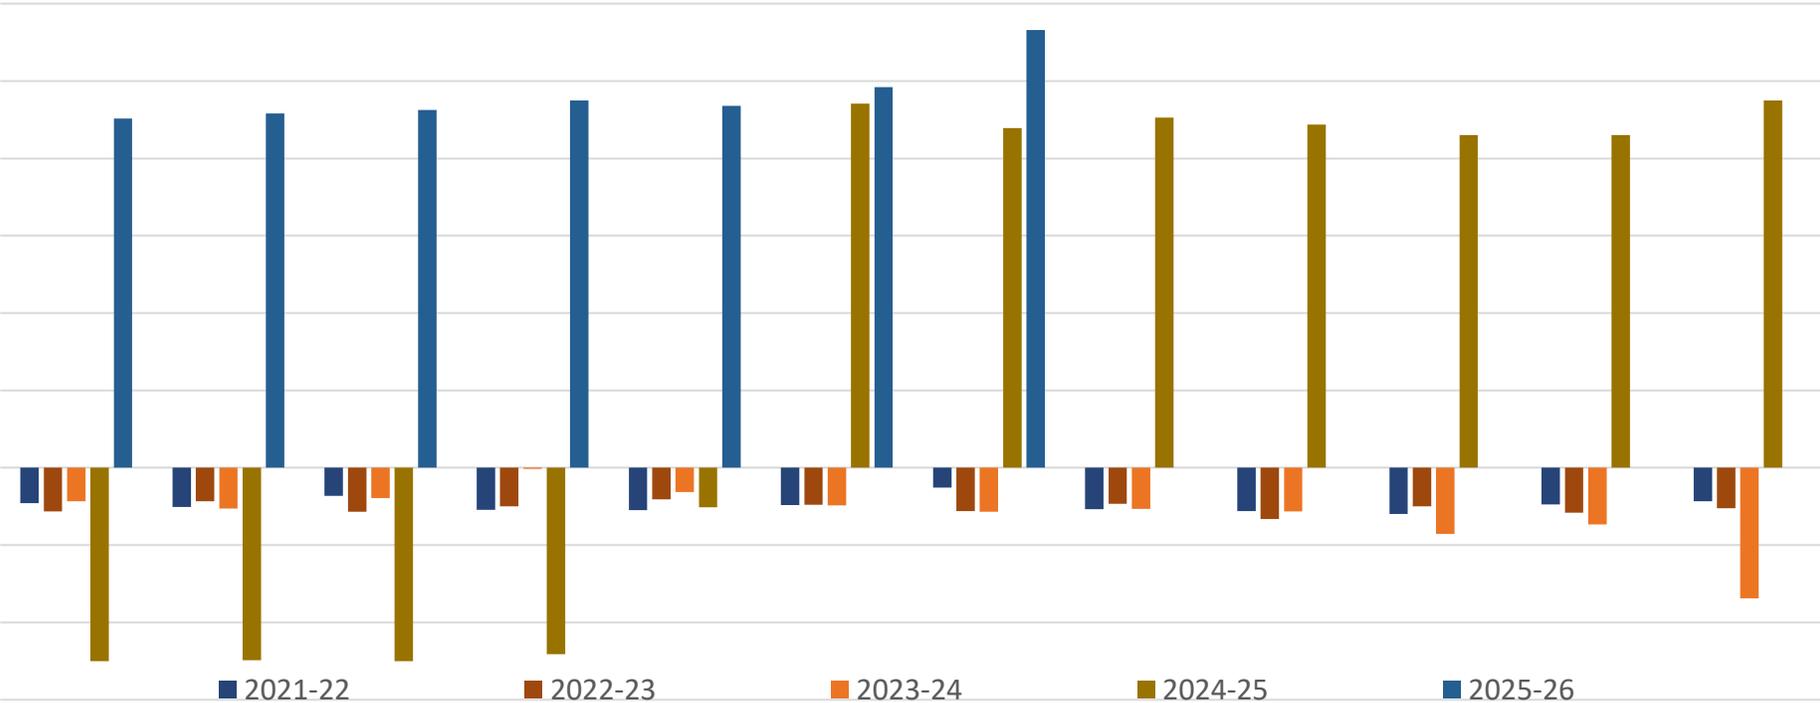

Residents pay for MSW, organics are free, creating incentive.

# Collection Cost to Savings

Municipal on-site composting proved the solution to more collection with real cost savings.

Year	Gain/Loss
2020-21	\$(2,943.90)
2021-22	\$(2,881.53)
2022-23	\$(3,118.16)
2023-24	\$(3,554.97)
2024-25	\$ 2,102.79
2025-26	\$ 8,565.53

Newtown, CT

PAYT = more collection but also, more cost.
