

Love

Choosing a memorial for your loved one can be the most beautiful and lasting way to show how much you cherish the love, the memories, and the relationship you shared.

More than anything else, the memorial stands forever—symbolic of the bonds of eternal love, which nothing can separate.

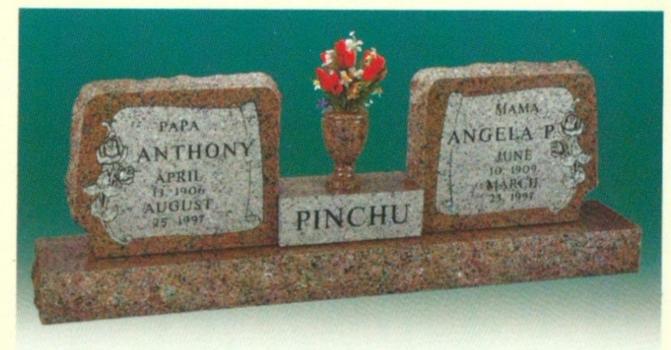

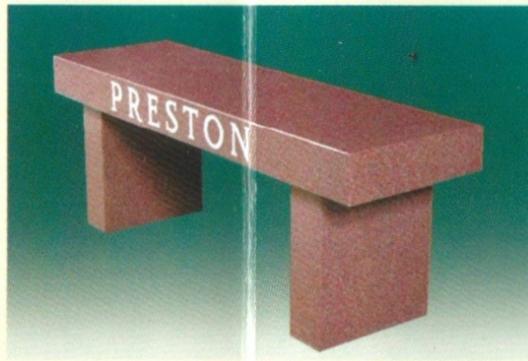

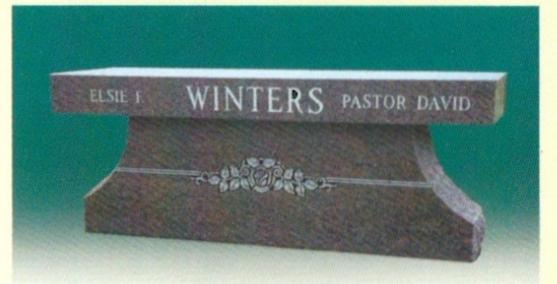

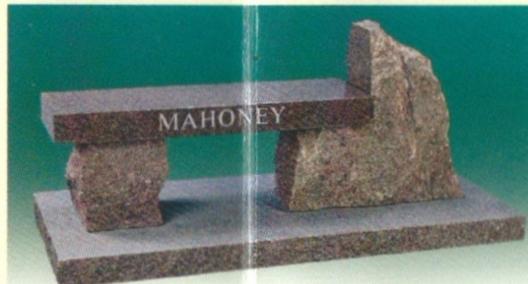

Today, you have many choices of styles, sizes, colors, and custom options available to you and your family. We hope this brochure will help you select the memorial that truly expresses the fond memories you have of your loved one—a suitable, enduring tribute that you will always be proud of.

Benches

A memorial bench offers you the unique ability to enshrine your family name with beauty and dignity.

Used in conjunction with a flat grave marker, benches are particularly suited to cemeteries where upright monuments are not an available option.

Our benches are made of solid granite, and range in style from the most simple to the most ornate, in a wide variety of colors, shapes, and custom options.

Monuments

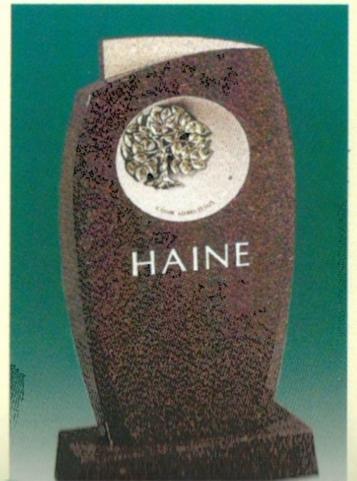

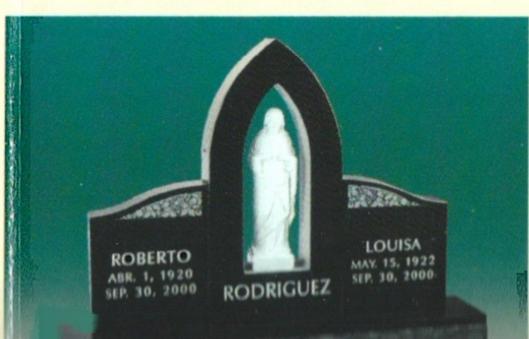

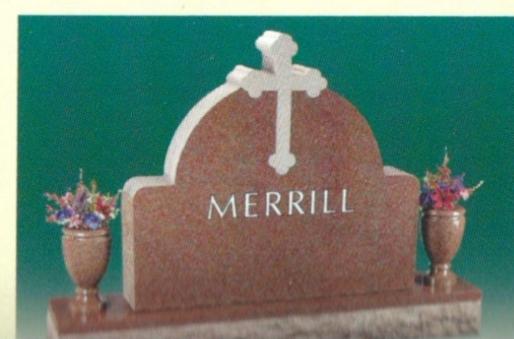

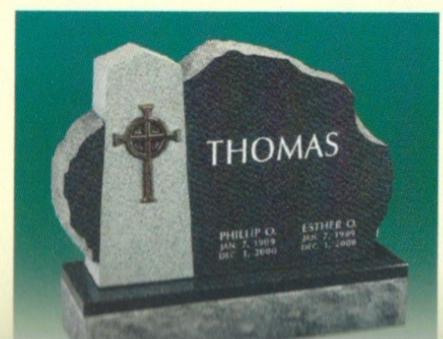

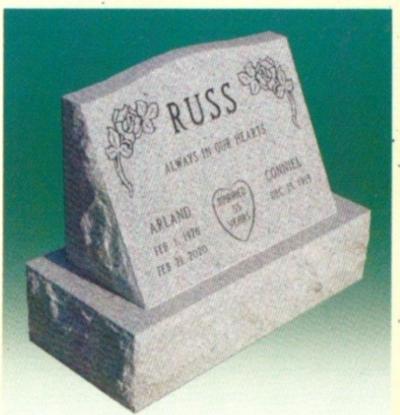

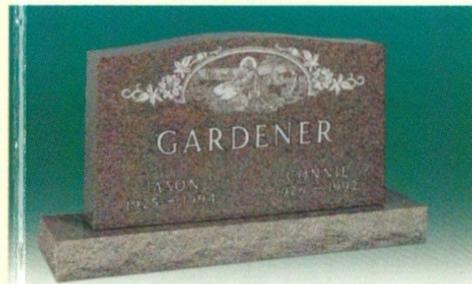

The choice of a monument is perhaps the greatest possible expression of love, honor, and the eternal bonds of family history.

For generations to come, your monument will stand gloriously as a fond yet dignified testimony to the lives of those in your family.

With our abundant selection of styles, colors, and materials, you can choose a monument that fittingly expresses the grandeur and respect that surrounds your family name.

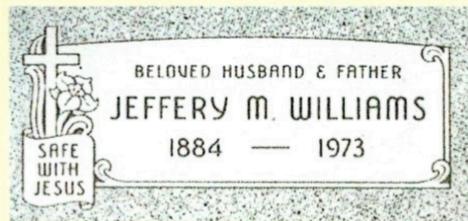

And because of our numerous customizable options, you can ensure that your memorial is like no other in the cemetery.

Since 1890, our professionally-crafted monuments have been placed in cemeteries across the country. You'll be proud to have one of ours as your eternal remembrance of your loved one.
