Dear Resident,

It has come to our attention that winter storm cleanup of your property has included the pushing of snow across the county highway or town road.

In the interest of safety of our residents, the Marathon County Sheriff's Office would like to remind you that pushing snow or other materials onto and across highways from private driveways may be prohibited by law.

Pushing snow or other materials onto the road is prohibited by Wisconsin Statutes 86.01 and/or 346.94(5). This action creates the potential for a serious accident to the traveling public and damage to snow removal equipment and possible injury to the drivers.

Please help us in ensuring our roads and highways are safe! Ensure all snow is removed from the roadway and that snow is pushed beyond the right of way (the area typically cleared by plows; beyond the shoulder).

Your attention to this concern is greatly appreciated.
