

Gumbo Pot offers many different catering options. From full service setup and serving events to making a dip for you to pick up. No occasion is too big or too small for us.

Prices vary depending on the number of people, the dishes being served, the location, and depending if it full-service, drop off or pick-up.

We can make just about anything, just ask if it's not on the list. Even if it a family recipe, we will just need the recipe.

We look forward to serving you and your guests for your special event!
