We understand Junior Fair Board members just like regular Fair Board members always have many commitments, however by committing to the Junior Fair Board it is a commitment you are making to participate. There will be requirements to attend a minimum number of meetings and help at the fair and with outside projects. We know not everyone may be able to do everything but the expectation of each Junior Fair Board member to do their share will be expected. As a team we will work together to help each other but commitment is going to be each members responsibility. If a member is unable or unwilling to keep their commitment after fair warning they may be asked to resign from the JFB.

Please fill out the questions and sign, date, and return the application to the Houston County Fair, by mailing or emailing the application.
