

## LANDMARK STAFFING

### **Carpenter Apprentice / Construction Worker- \$18-\$22/ Hour**

Extreme Construction has positions open for Carpenter Apprentices / Construction Workers to assist on multiple residential and commercial projects. This role is ideal for individuals looking to grow their skills under experienced carpenters while contributing to high-quality construction work.

#### **Duties and Responsibilities**

- Follow established safety rules and regulations and help maintain a safe and clean jobsite.
- Assist experienced carpenters with layout, measuring, cutting, and installation of building materials.
- Read and work from basic blueprints, sketches, and instructions with supervision.
- Measure height, width, length, and other proportions accurately.
- Assist with erecting, leveling, and installing building frameworks, including walls, floors, and doorframes.
- Help install structures and fixtures such as windows, doors, trim, and molding.
- Perform physical activities requiring use of arms, legs, and full body, including lifting, carrying, climbing, balancing, walking, stooping, and handling materials.
- Assist with installing add-ons such as hinges, doorknobs, handles, and other hardware.
- Load, unload, and organize materials and tools.
- Maintain tools, equipment, and work areas in good working order.
- Learn proper use of hand tools, power tools, and jobsite equipment.

#### **Qualifications**

##### **To be considered for the position:**

- 2–3 years of construction or carpentry-related experience
- Interest in learning residential and commercial construction techniques
- Basic math skills
- Basic experience using hand tools and power tools
- Ability to follow instructions and work as part of a team
- Willingness to learn blueprint reading and construction methods
- Good communication and interpersonal skills
- Physical stamina and manual dexterity
- Ability to potentially work out of town
- Reliable transportation

## LANDMARK STAFFING

- Basic personal tools preferred (additional tools provided as needed)

### **Working Conditions**

This is a physically demanding position that requires a high level of energy and a willingness to learn. Work is performed in all weather conditions and on various terrains. Tasks may vary daily depending on project needs.

### **Physical Requirements**

- Push, pull, lift, and carry up to 50 pounds throughout the day
- Stoop, squat, walk, and stand for extended periods
- Climb stairs, ladders, and step ladders safely
