Position: Skilled Carpenter/ Construction

Location: Grand Junction, CO

Type: Full Time

Wage: \$20-25/hour

Job Overview:

The General Laborer with Carpenter Experience will assist in a variety of construction-related tasks, with a specific focus on carpentry work. This position requires an individual with a strong work ethic, a hands-on approach, and the ability to work effectively in a team environment. The ideal candidate will have prior experience in carpentry, as well as general labor responsibilities, to support our projects and ensure timely, high-quality completion of work.

Key Responsibilities:

- Assist with the construction, installation, and maintenance of wood structures, including framing, decking, cabinets, doors, windows, and other carpentry-related tasks.
- Safely operate and maintain a variety of hand and power tools, such as saws, drills, hammers, and pneumatic tools.
- Support carpenters and other tradespeople in measuring, cutting, shaping, and assembling materials.
- Help prepare job sites by setting up equipment, materials, and supplies.
- Clean and maintain work areas to ensure a safe and organized environment.
- Transport and load/unload materials as needed.
- Assist in the demolition of existing structures as needed.
- Follow blueprints, sketches, or verbal instructions for carpentry projects.
- Ensure adherence to safety standards and procedures at all times.
- Maintain accurate records of work performed and materials used.
- Work collaboratively with team members to meet project deadlines and quality standards.

Requirements:

- Prior experience in carpentry of at least 5 years.
- Knowledge of basic carpentry techniques, materials, and tools.

LANDMARK STAFFING

- Ability to read and interpret blueprints and construction documents.
