This position is responsible for inspecting, tracking, assembling, packaging, and verifying components and finished products while maintaining quality standards.

Primary Responsibilities

- Receive, organize, and track incoming parts and materials.
- Perform incoming, in-process, and final inspections.
- Deburr, buff, and inspect parts before and after sandblasting.
- Operate and maintain sandblasting equipment.
- Set up parts for the vibratory tumbler.
- Assemble and package products and customer orders.
- Read and follow work orders and shipping instructions.
- Create and manage purchase orders for outsourced parts.
- Load and unload trucks and materials.
- Maintain a clean and safe work area.
- Assist with inventory counts and returned parts processing.

Qualifications

- High attention to detail.
- Legible handwriting.
- Strong organizational skills.
- Reliable and punctual attendance.
- Basic computer and recordkeeping skills.

Physical Requirements

- Ability to lift up to 50 pounds.
- Ability to stand, stoop, bend, and walk on concrete floors for extended periods.

Compensation & Benefits

- Paid Time Off (PTO)
- SIMPLE IRA retirement plan
- Trailhead Clinics benefit
- Employee discount
- Three Day Weekend
- Paid holidays

Work Environment

Manufacturing environment involving assembly, inspection, inventory, and shipping activities.

XLR Industries is proud to be an equal opportunity employer. All qualified applicants will receive consideration without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability, or protected veteran status.
