

LANDMARK STAFFING

SHOP HAND

Company: Alcan Spring

Location: Grand Junction, CO

Pay Rate: \$17.00 / Hour

Schedule: Monday – Friday, 7:00 AM to 3:30 PM (Full-Time)

POSITION SUMMARY

Alcan Spring is seeking a dependable and hard-working **Shop Hand** to join our manufacturing team. We take pride in building high-quality, custom leaf springs, and our Shop Hands are essential to keeping our production line running smoothly. This is an entry-level position with opportunities to learn the trade, work with your hands, and grow within a stable, local company. If you enjoy physical work, have a strong work ethic, and want a consistent daytime schedule with weekends off, we want to hear from you.

KEY RESPONSIBILITIES

Shop Support & Material Handling

- **Lifting & Moving:** Safely lift, carry, and maneuver raw materials, steel components, and finished spring assemblies weighing up to 50 lbs regularly throughout the shift.
- **Production Assistance:** Assist experienced fabricators and machine operators with various staging, loading, and material preparation tasks.
- **Shop Upkeep:** Maintain a clean, organized, and safe work environment by sweeping floors, clearing debris from work zones, and returning tools to their proper stations.

Safety & Environment

- **Environmental Adaptability:** Work productively and safely in a warm manufacturing shop environment, especially during the summer months.
- **Safety Adherence:** Strictly follow all company safety guidelines, including the proper use of required personal protective equipment (PPE) like safety glasses and steel-toed boots.

POSITION REQUIREMENTS

- **Physical Stamina:** Ability to stand, bend, reach, and perform repetitive physical labor for the duration of an 8-hour shift. Must be able to lift 50 lbs consistently.
- **Reliability:** Excellent attendance and punctuality are a must. We need someone who is ready to work at 7:00 AM every day.

LANDMARK STAFFING

- **Team Player:** Ability to take direction well from shop managers and work collaboratively alongside the fabrication crew.
- **Work Ethic:** A positive attitude, a willingness to learn new skills, and a focus on keeping the shop safe and organized.
