# Your Invite

## New Product Innovation Day

### Preparing for the Future Homes Standard

We are pleased to invite you to an exclusive **Future Home Hub Innovation Day**, hosted by **The Keystone Group**, taking place on **22<sup>nd</sup> April 2026** at our manufacturing facility in Swadlincote.

This focused industry event will bring together experts from across the industry to explore how roofing systems and building components will evolve to meet the requirements of the **Future Homes Standard**. The day will offer practical insights, opportunities for open discussion, and live product demonstrations - supporting collaborative thinking around the homes of the future.

## Event Highlights

- Innovation in roofing systems aligned to **Future Homes Standard** performance goals
- Explore latest product innovations including smartPUC and Modulite systems
- Solutions to tackle storage challenges for ASHP's and hot water cylinders
- Demonstration in reducing hot water demand and lowering home owner energy bills
- Contemporary alternatives to traditional roof dormers
- Open roundtable discussion to share challenges and future needs
