Number 641

March 2023

**British Summer Time starts on Sunday 26th March.
Remember to put your clocks forward 1 hour the night before.**

Have you checked out the advert pages? They are a great resource, full of local businesses and individuals offering a wide variety of services, and there are some new additions.

Just a Reminder

It will soon be time to roll out the red, white and blue bunting for **The Coronation of King Charles III**, which will take place on Saturday 6th May with a Bank Holiday on Monday 8th May. Only 3 months away. Are you involved in organising an event to celebrate the occasion?

Please remember to contact the Village News with details to ensure maximum publicity is given.

Badapple Theatre Thursday 4th May

Badapple Theatre are coming to Sheriff Hutton Village Hall with a performance of the highly popular **Eddie and The Gold Tops** at 7.30pm on 4th May. More details in the next Village News but information is available at www.badappletheatre.co.uk or by ringing 01423 331304.

Ryedale Food Banks

The warehouse continues to be open. Boxes are delivered every couple of weeks either to Pickering Community Foodshare or Norton. More volunteers are always needed, and those volunteers who man the sites are immensely grateful on behalf of the local people who benefit.

Sadly, there was a recent senseless, mindless act of vandalism that smashed the lid of the collection box. However, this does not detract from the kind, generous donations from the Sheriff Hutton community at a time when there are wider global needs.

A big thank you

to Sheriff Hutton Community for your continued support.

It follows a 'Call for Sites' exercise, a 'Distribution of Development' consultation, as well as a consultation on submitted sites, which is ongoing. This consultation focuses on a number of strategic considerations, namely: the proposed plan period/life of the review of the Ryedale Plan, the proposed housing requirement, the proposed distribution of development strategy and the settlement hierarchy and proposed consideration of Service Villages, including Sheriff Hutton.

Residents can access the consultation document by visiting the RDC website <https://www.ryedale.gov.uk/information/review-of-the-local-plan/our-consultations-on-the-plan-review/key-decisions>

Parking Issues

The parish council wish to remind residents of the importance of parking in the village, so not to cause an obstruction. Recently, inconsiderate parking has caused issues on both Old Mill View and Church End from the Green. The Parish Council would appreciate residents help with this matter.

Litter Picking

The Parish Council wish to thank all residents who carry out litter picking in the village, this is very much appreciated in trying to help the village looking tidy and at its best. To try and assist, the parish council are currently looking into obtaining some litter picking grabbers.

Tree Planting

The Parish Council have recently successfully carried out some tree planting in the village. The Parish Council would like to thank the councillors and volunteers who helped plant the trees and also, Jeremy Dick for his help and advice in this project.

Change of Future Meeting Dates and Location

February £25 prize winners were 2, 14, 31, 86 and 92.

Lillings Ambo Parish Council

Following complaints from residents of West Lilling, please can we ensure that the pavements in the village are kept clear of overhanging hedges, trees and bushes. Although some hedges have been trimmed, they are still encroaching onto the pavements. In addition, it is necessary to keep the pavements clear of soil and grass under the hedges to stop the pavements becoming narrower.

We have also received complaints from residents about cars parking on pavements. Whilst we acknowledge the road through the village is narrow and busy, pedestrians are having to walk onto the busy road to avoid the parked cars as they leave insufficient space to walk on the pavements. The next meeting of the Parish Council will be on 25th May 2023 in Sheriff Hutton Village Hall.

Sheriff Hutton Tennis Club

The new season, 1st April 2023, is almost upon us and we look forward to welcoming members existing and new. We are confident that our membership fees remain competitive compared to other clubs in the area. Membership rates for the 2023/24 season will be published following their approval at the AGM on Wednesday 8th March.

Your continued support is very much appreciated and vital for the survival of your wonderful club.

Date for your diaries; Sunday 16th April

The Tennis Club will be operating the café at the Village Market. This is a fantastic opportunity for the club to raise additional funds for the upkeep of the courts, and helps keep membership fees reasonable. However, we do need volunteers to help on the day to make it a success. If you or a family member can spare an hour or two on the day that would be great.

"Many hands make light work". Helpers are needed from 8:30am to 1:30pm.

We split this into shifts. Preparation starts at 8:30am, we start serving the stallholders at 9:00am and then the general public when the Market opens. We serve bacon and sausage butties; cakes and drinks are available too. Like any café we need people to help cook the food, make the drinks, serve, clear the tables, take the money etc. If you can spare a little time or would like more information on how you can help please email me directly using **ca.thomas99@btinternet.com**

Sheriff Hutton Open Gardens and Open Studios 2023

Saturday 10th and Sunday 11th June.

This year, once again, Open Gardens and Open Studios will be open over the weekend allowing visitors to enjoy a full two days of wonderfulness!

If you would like to open your garden (no pressure, no competition, no judging), just the chance to be part of a great village event, please contact us.

Last year the pop-up cafe was held at St Helen's Church and will be there again this year. We are looking for another village community group to share the cafe with St Helen's Church. This is a great chance to fundraise for your group; last year the event raised over £1700. Your group will need to provide baking and man-power to serve.

If you are interested in either of the above, please contact louisechandler28@yahoo.co.uk

Sheriff Hutton Ladies Group.

On the 8th February, The Ladies Group were treated to a return visit by Chris Cade. An actor, Chris took on the role of a butler who worked in a large house and entertained us with tales of all the jobs he had to do, together with the housekeeper and maid. As usual, Chris was hilarious and we thoroughly enjoyed the afternoon's entertainment.

Our next meeting, on the 8th March, starts at 1pm (not 12noon as in the programme), and will consist of a sharing lunch followed by our AGM. If you are attending, we would be grateful if you could please bring a plate of food for the sharing lunch.

Subscription fees are also due on that day, so following the AGM we will be collecting your payment (£15) for the yearly fees.

In addition, if you are booked on the outing to Hawes Creamery, a £10 nonrefundable deposit will be required and this will be collected along with the yearly subscription.

If anyone would like information about any of our meetings, please get in touch with:

Gardening Club

The club meets in the Village Hall on Wednesday 15th March for a talk by Peter Mathers on 'London Squares and Gardens'. Seed potatoes for the potato competition will be available at this meeting, postponed from last month to allow for proper chitting.

Gardening tips

Now we are moving from winter into spring it is a good time to look at the garden to check all the winter jobs have been done. We were fortunate in February to have a good dry spell to catch up.

- The early bulbs have been lovely but if you want to enlarge the snowdrop and aconite patches for next year, ensure splitting is done before the leaves disappear. This is not the same for daffodils as the leaves need to die down to feed the bulbs before lifting.
- As the days lengthen and warm so the weeds will grow quicker. Disturb the top of the soil to kill off any young seedlings. This will open up the soil to stop capping and water run-off.
- Also, now is a good time to apply a mulch to keep in the moisture for drier times. Ground cover plants and close planting can have the same effect, as bare soil dries out the quickest.
- Those with dogwoods/cornus need to cut them down to a couple of buds when the new leaves start to appear to ensure good colour next winter.
- Check over all your pots for losses and any necessary repotting, as well as topping up with fresh compost and feed.
- Let the ground warm up before starting to sow seeds, unless indoors; they will then grow away quicker.
- If you have rhubarb and you like nice pink stalks cover the crown with a forcer or a bucket.

Lots to do, but there is time.

Sheriff Hutton Village Market

A diary reminder that the market returns on **Sunday 19th March, 10.30am-1.30pm** with the usual plethora of market stalls (meat, cheese, vegetables, baking, bread, deli-style, juice, dog treats, plants, honey, eggs, ice cream, confectionery, art, jewellery, interiors, garden regalia & more). Indoors is our community run cafe.

At our recent AGM, our Finance team confirmed that we have £3000 available for the parish of Sheriff Hutton. We are putting together the terms for tender which will be available soon. If your community group/start up group is interested in applying for some funding, please contact mail@shvm.co.uk

In addition to the £3000 available to our community, the cafe groups have raised £10,577.69 since the markets began in March 2019 (22 markets in total). It's fair to say that our fantastic market is an asset to our village both socially and financially, so please, please do continue to pop down and support it.

We are also in need of volunteers to help on the day. Car parking, helping stallholders to unload/load, general market support, it's fun, it's easy and we'd be happy with just an hour of your time.

The Village Ramble

The Village Ramble this month takes place on **Thursday, 30th March**.

It retraces the steps of a route we walked about 6 years ago in the Sand Hutton and Claxton area. During the walk we shall see some of the few remaining features of the Sand Hutton Light Railway which closed in 1932 and Claxton brickworks, which closed a few years earlier. The circular route is about 5 miles long and after we have finished walking, we shall go for a pub lunch.

Everyone is welcome to join these rambles, we meet at the Village Hall car park by 9.30am; you do not need a car, lifts can be provided.

Marton Church

During this season of Lent, we have one more service at 3pm on 12th March, before we revert to our 'summer time' services at 6pm on 26th March, when the clocks change.

There will also be a Dawn Vigil on Easter Sunday morning to watch the sunrise at 6.22am and then, weather permitting, wait for the sunlight to burst through the east windows! No morning service, just a time of quiet with a cup of coffee or tea. We will also have an Easter Celebration at 6pm on Sunday 9th April.

After a wonderful show of snowdrops, we look forward to seeing daffodils in the churchyard and enjoying some warmer days ahead. How very lucky we are to have such beautiful churchyards all around us where we can enjoy some peace, birdsong, wildflowers, trees and beautiful skies.

St Leonard's Farlington

We seem to be having an early spring, the first snowdrops were in flower before the end of January and by March the churchyard should be awash with the brightness of the many daffodils. The churchyard is always open and there are benches to sit on where you can enjoy the peace and tranquillity whilst having some 'quiet time'. If it is too cold outside, the church is always open during daylight hours. St Leonard's follows the tradition of the Book of Common Prayer. Everyone is most welcome at any of our services where you will find a warm welcome.

Our services in March are:

- Sunday 12th 10.30am Shortened Matins (BCP)
- Sunday 26th 10.30am Holy Communion (BCP)

Remember, British Summer Time starts on Sunday March 26th, put your clocks forward one hour the night before.

Everyone Welcome.

Lent – grim or dim, to Easter – glory and joy

Here we are, into the season of Lent already, it feels like Christmas and the New Year festivities were only a few weeks ago. Yet the contrast between those festive vibes and the disciplines of our Lenten observances couldn't be starker.

While I hope and pray that whatever you give up or take on this Lent, is a great benefit to your spiritual journey with the Lord. I want to just mention the importance of being kind to yourself. By this, I suggest by all means do your bit for Lent as it suits you, but please don't berate yourself if you don't quite hit the mark you may have set yourself.

I have said many times in many places that we live under grace, not law, and the Lord knows your heart. I have good reason for going where I have in this letter, we have to just look around us to see what is going on in the world, both at home and abroad there are many stresses and strains facing all of us. I don't need to name them all here, but economics, the geo-global political situation and Middle East earthquake bring many things into perspective.

Being hard on yourself right now certainly doesn't feel like the right way to go. Yes, Lent is meant to be an austere time for Christians. Yes, we ought to take Lent seriously as we approach Holy Week and Easter, and that is where I am focusing this Lent. I have one eye on the 40 days of this season and the other eye firmly fixed on the glory, and the joy of Easter Day. With Easter, comes resurrection and transformation. Hopefully, through Lent you will have learned something about yourself, or had a change of habit or maybe you have grown in faith.

Whatever the result of your Lenten journey, I hope it's of great benefit to you, and so as we reach the 9th April you will have been looking forward to the Easter celebrations and will celebrate in style.

Revd. Steve

Notices for St. Helen's February

Services for March:

12th March – Holy Communion at 10.00am

26th March – Morning Worship at 10.00am

Everyone is welcome and we look forward to seeing you. We are a friendly and inclusive church community.

Our Easter Day service will be a family one at 10.00am and there will also be an Easter Egg hunt. Arrangements for Palm Sunday and Good Friday will be confirmed. Please see notices on the church door or on our Facebook page.

We have reinstated our Welcome Tea Tray, so please help yourselves if are coming to visit, to have a look round or to pray, think or reflect. There's tea, coffee, squash and biscuits. The white gate at the entrance to the church footpath is now open throughout the day to make the church and churchyard more accessible for those with buggies, with dogs or just everyone generally. Please let us know if there is anything else we can do to help people feel welcome or that visitors and villagers would find helpful.

We have a lovely churchyard with beautiful views and we welcome dog-walkers. Please keep your dogs on a lead though and clean up after them. There are poo bags and bins around. There is also a water bowl in the porch. We have a lot of families visiting graves and we try and keep the churchyard tidy for them.

In the last newsletter I mentioned an advance date for your diaries, a classical music organ recital on Friday, 12th May at 7.30pm. Sadly, this will now not be taking place.

Please contact Jill Donaldson Hodges on 878595 or 07968 052118 if you have any queries

Sheriff Hutton Bridge Cricket Club

Apart from the odd jobs around the club, not much work has gone on regarding the playing surfaces. However, there has been a copious amount of work on the cutting and rolling machinery making sure it is sharp and ready for use come spring.

The main event of the month was the holding of a club dinner for the first time in several years since both the merger of SHB and SH cricket clubs, plus the covid intervention in 2019. It was held on 27th January 2023 at Sandburn Hall, where a great night was had by all 70 attendees who were treated to a very entertaining video, celebrating the careers of retirees Mick Oldfield and Colin Mole. There were several acknowledgements from club members and two clips from David "Bumble" Lloyd and Nasser Hussain, both very entertaining. The senior presentation took place with 18 different awards being handed out, all detailed on the website.

Matthew Fisher cheered us all up with his performance in the first "A" test against Sri Lanka, getting a 5 for and 50, he clearly continues to put in good performances on the bigger stage.

All the winter nets have started with good attendances at both senior and junior nets.

We held a scorer's course with 6 attendees (both male and female) and now have a well-trained group who are capable of scoring both in the traditional book and by the more modern and acceptable way of digital, which can be followed on Play Cricket live.

The boys that are on Pathways and Hub seem to be enjoying it and are looking forward to demonstrating what they have learned.

Collective Village Oil Buying Group

Just to advise the Village Oil Buying Group and in addition anyone who wants to join in from Sheriff Hutton, Lilling, Whenby, Farlington and Stittenham, that the next oil order is planned for:

Estimated delivery between April 5th and 12th
Order cut-off Friday 31st March.

You can of course still join even if you only order occasionally. If you have already given your details to the group, you will receive a reminder in advance of the deadlines, asking for confirmation on whether you require an order and if so the details.

The group, run by volunteers purely for the convenience of and to provide savings to villagers, was set up many years ago buying heating oil for Sheriff Hutton and Lilling. It now includes in addition Whenby, Farlington and Stittenham.

If you would like to join please email us at sheriffhuttonoil@gmail.com with your name, email, mobile phone number, address, location of oil tank and oil order or request to be added to database.

After the deadline and we have the total number of litres required, we will discuss the price with a number of potential suppliers to get the best price and then let each person know how much their order will cost with the planned delivery date.

Recently, suppliers are finding it difficult to provide additional litres 'to fill', so it is fine to slightly overestimate your order as long as at least 500 litres can be delivered to ensure you get a fill up. The minimum quantity which can be ordered is 500 litres, but you can order any number of litres above that. Payment can be made to the driver or by phone within 7 days of the delivery.

Please note to enable the group to work your details will be held on a database, and certain details e.g., name and order will be shared with the rest of the group, and name, address and contact details will be provided to the oil provider in connection with oil orders. Privacy statement available on request.

Contact sheriffhuttonoil@gmail.com to join the group, we look forward to hearing from you.

Sheriff Hutton Nature Group

AGM and March meeting 1st March

Note: this year, due to our larger group numbers we are planning to have our AGM prior to a standard March meeting. All members are welcome to attend the AGM which will start at 6.30pm. We will welcome in the new Committee, look back over the past year and forward to the next.

From 7.30 pm we will be having a Nature Group meeting to which members and guests are welcome to join. In March we are focusing on local Nature Habitats and are planning two informal sessions on the same evening by two of our members covering:

- Marton Churchyard with Caroline Hunt
- The Glebe Conservation Area with Brian Shepherd.

Come and hear about these special places where there is a focus on Nature Conservation. Both March meetings are at Sheriff Hutton Methodist Church Hall.

Looking forward to next month on Wednesday 5th April, we are pleased to welcome Mike Gray to our group. Mike is a Yorkshire Ambassador for the British Trust for Ornithology Garden Bird Watch, and will be talking on Garden Birds. Simply watching, or also feeding and putting up nest boxes for garden birds are ways in which many of us connect with nature. So come and hear more about them and ask any questions you may have. All are very welcome to this event. There will be a small fee for non-members.

If you would like any more information on the Sheriff Hutton Nature Group, please contact Sally on 01347 878272 or email shnaturegroup@gmail.com

Sheriff Hutton History Group

Our March meeting will be on Friday 24th March at 7pm in the Village Hall. Tadcaster author, Tony Morgan, will again be visiting us to give a talk entitled the True-Life Tales of Tudor York. Tony has researched the Tudor period of York in depth, and promises us stories not only of the rich and famous, but also of the villains and paupers and a behind the scenes look at some great successes and some complete disasters. Tony has visited on previous occasions and we can look forward to a thoroughly informative and entertaining evening.

As many of you will know, Tony is well known for his support of charitable causes and all the money raised at this meeting will be donated to the charity he is supporting this year, the St Leonard's Hospice. As usual, light refreshments will be provided after the talk.

Advance Notice

Our Annual General Meeting will be held on Friday 21st April at 7pm, in the Miss Ward Room of the Methodist Church in West End. This is the formal notification of the meeting and any members wishing to raise matters for discussion or put themselves forward for election to any Committee post, should inform the Secretary (Linda) in advance of the meeting.

Following the formal part of the meeting, we will be holding a traditional Magic Lantern Show. We are fortunate to be the custodians of this rare artefact donated by Jean and Alan Farnaby, and to have a collection of glass slides to be used with it. Magic Lanterns were the precursors of the modern projector and were used for entertainment and education from Victorian times, until superseded by modern devices. Our slides are mostly of Sheriff Hutton and this promises to be a rare opportunity to experience something of times past.
