The Parish Council met on the 11<sup>th</sup> January 2024. Councillors present at the meeting were Penny Bean (Chairman), Marcus Oxendale, Sally Wright, Sally Wright, Dave Smith, Sam Warriner and Phillip Lazenby. Louise Pink – Clerk.

ZE23/01550/MFUL Southern Unit, Cornborough Road, Sheriff Hutton

## Neighbourhood Plan

We now have 3 volunteers willing to take part in formulating a Neighbourhood Plan for the future development of Sheriff Hutton which when approved by North Yorkshire Council will be taken into consideration on future planning applications.

However, we do need at least another 3 people, more if possible to take this forward. Whilst we can get professional help in the formatting of the plan we desperately need local people to do the actual work.

Whilst the Parish Council will have representation on the working party it is essential that the plan represents the views of all residents not only parish councillors.

If you are interested in joining the group but would like further information please contact the Chairman, Councillor Penny Bean on 01347 878392 for a chat.

## Parking on Verges

The Parish Council would like to request that residents do not park on the verges throughout the village. Many of the verges are being churned up due to vehicles parking on them. The parish council would also like to request that where residents have had work done to their house that has resulted in damage to the verge that the verge is reinstated once work has been completed.

## Next Meeting

The date of the next Parish Council meeting will be Thursday 8<sup>th</sup> February 2024 at 7.30pm in the Miss Ward Room at the Methodist Church.

Louise Pink, the Parish Clerk, can be contacted regarding all Parish Council matters at [sheriffhuttonparishcouncil@gmail.com](mailto:sheriffhuttonparishcouncil@gmail.com) or on (01904) 861131. 13 White Rose Avenue, New Earswick, York. YO32 4AG.

**Sheriff Hutton CP School PTFA** would like to thank everyone from the bottom of our hearts for supporting our Christmas raffle and silent auction this year. We are thrilled to share with you all that our final total is £2363.25! Amazing!

We look forward to seeing you all at our upcoming events such as our Jumble Sale in March and our annual scarecrow trail in April!

Many, many thanks again.

This month Jill Ward will be talking to us about 'Burnby Hall Gardens'. We meet at 19.30 on Wednesday 21 February in the village hall. The talk is free to members and visitors are welcome to attend for a fee of £3.00.

Now the gardening year begins, as the garden starts to wake up. More time spent now frees up hours for necessary weeding later. Prune, move and feed. Last year's rain brought on lots of growth in trees and shrubs, so check for size and space. Split up herbaceous perennials and grasses not done in the autumn and start to feed and mulch. If you have epimediums – an excellent ground cover plant - the old leaves need cutting off to give better flower displays. Don't forget the wisteria; prune back to fat flower buds if you want lots of flowers in May. It's time to think about the vegetables you want to grow whether from seed or from purchased plug plants. Plotting and planning for the year ahead!

### Village Ramble

This month's walk is on Thursday February 29th. It will be about five miles long starting in the village of Wigginton and taking us in a circular path around Wigginton Moor and onto Moorlands Nature Reserve at Skelton, which is a beautiful small woodland. We will return for lunch at a local pub. The walk is on easy terrain, mostly track and footpaths with no inclines, especially ideal for winter walking conditions. Please meet at 9.30am at The Village Hall car park. New members are always welcome and lifts are available for non drivers– it's a great way to meet new people or catch up with old friends! If you want any further information, please telephone this month's ramble leader John Williamson on 01904 491278.

## Message from the Jumbles

Sometimes when we are given items for sale we realise that they are quite valuable and could be sold for more than we could to achieve at a jumble sale. On these occasions we take advice and where possible these items are sold at auction and the money then passed on to the cause for which it was originally donated. Over the last few months several items were sent to auction and the last lots have now been successfully sold for amounts beyond our dreams. We can now report that our total for 2023 has increased to £21,189.

A fantastic new record. We were able to make a donation to St Leonard's Hospice at Home of £500 as a thank you to them for the caring and professional support they have given to some of our residents and their families in their time of need.

Our first Jumble Sale of 2024 will be on Saturday 17<sup>th</sup> February at 2pm at the Village Hall in aid of the Parish Church and the Bowling Club. If you were able to attend any of the events and services held at the Parish Church over the Christmas period you will have realised how lucky we are to have one of the oldest parish churches in the country.

It is a fantastic building and a wonderful place for people to meet up not only for church services but for other events too. However, it is very costly to keep it in good repair and available for us to benefit from and we have to sincerely thank the Church Wardens and other volunteers who are involved in its upkeep.

The Bowling Club is another valuable asset of our village. Tucked away in the far corner of the Playing Field behind the sheltering hedge it can be easily missed. 2023 saw a good increase in membership, mainly local people, many of whom are new to the village. New members are always welcome to play in a friendly, sociable atmosphere. Volunteers give a lot of time to keeping the club running but again it is costly to pay for grounds maintenance throughout the year. The Bingo sessions throughout the autumn and winter months provide welcome funds and a social outing for many people from Sheriff Hutton and the surrounding area.

### To raise money for both these organisations we need your help.

Have you been having a clear-out? Are you downsizing or moving away?

Your unwanted good condition clothes, household linen, books, toys, bric-a-brac can be sold to raise much needed funds. These can be brought to the Village Hall on the morning of the sale between 8.30 and 11.00 am. If you have donations but this time is not convenient please contact me to arrange an alternative. We may be able to access the Village Hall on the Friday night but this is an unknown quantity at the time of going to press.

We would also welcome donations of home-made cakes for the cake stall and refreshments and prizes for the tombola. Anything and everything you are able to offer will be greatly appreciated.

## St Leonard's, Farlington

The well-attended celebrations of Christmas are now just happy memories. In January we started the new year with our Plough Sunday service accompanied by an excellent, warming ploughman's lunch.

### Lent Starts This Month

Lent is a period of 40 days – excluding Sundays – which starts on Ash Wednesday. It is the solemn period of preparation for Christ's crucifixion. But it is also the period of preparation for his resurrection which we celebrate on Easter Day. And, to emphasise this period of solemnity churches are kept bare of flowers and decoration.

Before the start of Lent is Shrove Tuesday, a day of feasting before the 40 days. This year, Lent begins on February 14<sup>th</sup> which is, of course, Valentine's Day!

Why '**Ash Wednesday**'? Ashes are an ancient sign of penitence; from the Middle Ages it became the custom to begin Lent by people being marked in ash with the sign of the cross.

### Services at St Leonard's in February

Sunday 11 <sup>th</sup>	10.30am	Shortened Matins (BCP) with hymns
Wednesday 14 <sup>th</sup>	2.00pm	Ash Wednesday service (this service is for all five parishes)
Sunday 25 <sup>th</sup>	10.30am	Holy Communion (BCP) with hymns

We hope we may see you at one or more of these services.

The church is open daily for private prayer or 'quiet time'. The churchyard is open at all times and the spring flowers are just starting to push up through the grass.

## **Sheriff Hutton Bridge Cricket Club**

### **From The IPL to The Bridge**

The club are delighted to announce that they have secured the services of MANAN VOHRA as the new club professional. Manan comes with a wonderful pedigree having spent several years in the Indian Premier League playing 56 times; his highlight is probably 67 in the 2014 final for Kings XI Punjab; he also has had international honours with India U19s. He replaces Dulash who has been with us for several years and has decided to try pastures new, we wish him well – he was a great servant to the club and leaves with every blessing.

Mahan will not only play for the club but wants to get involved in the development of players especially the juniors; it will be a golden opportunity to rub shoulders with him as a player and as a coach. Come and see him play this summer, hopefully he might bring some Indian sunshine!

The rest of the current news comes from the new Management team as they settle into their various roles in the club. They all know regardless of individual titles or roles it is imperative that together we raise funds to redevelop the club house at Moor Farm which is in need of serious work.

As announced last month the club has secured sponsorship again from RAP, an asphalt recycling company, to that we can add Reynolds Garages at Selby, Ashton's Estate agents and, fingers crossed, hoping to have another major new sponsor for the new coloured clothing. If anyone has local contacts who may be willing to help in any way please contact Mark Fisher or any member of the club who will pass on any details. We have at least one big opportunity to sponsor the club and have your name up front and prominent! Come and find out.

Junior nets have started at The Galtres Centre in Easingwold with Senior nets starting at St Olaves on Sunday 28<sup>th</sup> at 7pm to 9pm.

A Happy New Year to all from the members of Sheriff Hutton Bridge.

## **Sheriff Hutton Village Market**

Our final market of 2023, the fantastic Christmas market, provided the village with an extremely festive event. With the brass band playing, Mrs Christmas handed out chocolates to the children (thank you very much "Mrs Christmas") along with nearly 60 stalls and a fabulous cafe, it topped off a busy 2023.

The Gardening Club played host to the cafe and managed to raise £850 for their club funds which will help with club trips and, of course, our village show which the Gardening Club kindly organises and funds.

For those that missed our update in November, the market committee were thrilled to announce that £3000 was granted back to our community with the following gaining: Village Hall, Gardening Club, Tennis Club, Bowls Club, St Helen's Church, Marton Church, Strensall Tigers and the village playground. On top of this, those who hosted a cafe in 2023 raised in excess of £7000 between them which is excellent. This means that we have achieved our initial village market target which was to raise £10,000 for the community on an annual basis, quite brilliant!

Once again a huge thank you to everyone who supported the market last year including our stallholders, dedicated volunteers and visitors.

Best wishes for 2024

# The Methodist Church

## Enough is enough.

Every January I have the privilege of going on retreat to Ilkley. A retreat is a time of reflection and rest, most welcome after the intensity of advent, Christmas and New Year. With other Methodist colleagues I spend two and half days contemplating something of interest to us all. This year with the help of Sam and Anna from Leeds Sanctuary we worked through possible meanings of being enough, doing enough and having enough. So, I thought February would be a good time to share my reflection on what I learned.

I don't know about you, but I struggle with all three of these enoughts. I often feel inadequate in the role I have as a church minister. I look around my colleagues and they appear to me to be much more switched on and in control than me. But then I talk to my colleagues and I find that we share those same doubts and insecurities. Perhaps you sometimes feel the same. When faced with this I ask you to consider God's view of creation. Genesis, at the beginning of the Bible, tells us how, at the end of each day of creation, God looked at what had been created and saw that it was 'good'. After creating everything, God upped the score to 'very good' but God never said it was perfect. None of us are perfect but we are good enough for God's love and grace and we are in most likelihood good enough for what we are tasked to do.

Doing enough is another area for soul searching. It's not difficult to get sucked into overwork in the 24/7 culture in which we live. Emails and text messages pop up all the time and it's easy to succumb to being diverted by them to a life filled with doing the urgent instead of the important things in life. We can become addicted to the adrenaline rush of doing more and more and more. Family life and personal time get squeezed by the incessant demands of an electronic culture. The result is burnout, broken people and often broken relationships. For those outside Sheriff Hutton, who have not had the dubious pleasure of reading my ramblings, I have a particular passion for encouraging everyone to take time for rest, time for family and time for personal space. I call it sabbath rest but you can call it what you like; we all need it. Make that time, you, your family and your work will all benefit.

Having enough is another area of difficulty for many of us. Not having enough to eat, a safe and warm place to live or not enough love in our lives, stunts our personal development and blights our lives. Equally, having too much puts us under pressure to have more, it is wasteful of resources and blights our lives and the lives of others. Ancient wisdom recognised this 'give me neither poverty nor riches but give me only my daily bread. Otherwise, I may have too much and disown God and say, "Who is the Lord?" Or I may become poor and steal, and so dishonour the name of my God.'

How much enough is enough? I think we instinctively know and have to make a choice. When I moved to York, I put a load of things into storage, 100 square feet in area by 8 feet in height. It was full. Eighteen months later, after paying a fortune in fees, I emptied it, kept three boxes of Christmas decorations and a couple of other things and gave the rest away. It felt like a burden had been lifted. How many of us have the equivalent of that in vast yellow storage warehouses, in our garages or sheds, or in our houses?

May you know that you are enough to those who love you; may you know the difference between doing enough and doing too much so that you might find your place of rest; and my God bless you with having just enough of the important things in life. Enough is enough. Amen.

Reverend John Hayward

## **Sheriff Hutton Ladies Group.**

On 13th December we had a superb Christmas lunch at The George Hotel in Easingwold, everyone said how much they had enjoyed their meal and the serving staff were excellent.

The first meeting of 2024 was in the form of a quiz set by our member Gail, we certainly had to put our thinking caps on. We had an outright winner and they enjoyed their chocolate bar prize. Many thanks Gail.

At our next meeting on February 14th, at 2pm, Sue Woodcock is coming along to give a talk about her life. Sue has been an author, a police officer, shepherd and a farmer. Sue will also show us what can be made using old neck ties.

If anyone has any old ties they no longer need please could they bring them to the meeting. Thank you.

If anyone would like information about any of our meetings, please get in touch with

## **Sheriff Hutton Nature Group**

### **Membership Renewal**

Please note membership for the Nature Group will renew on 1 April from this year. This is to accommodate the annual membership fee being confirmed at the AGM in March and the increasing number of direct bank payments being made for membership.

### **Our next evening talks with an update on the AGM timings:**

**February 7<sup>th</sup> 2024 - The Cropton Beaver Project with Rachel Midgley – Forestry England.** As featured this year on Channel 5 programme The Secret Life of the Forest. Come and hear about the background and status on the introduction of beavers to an enclosure in Cropton Forest as part of looking at ways of reducing flooding locally. Starts at 7.30pm, £3 for non-members.

**March 6<sup>th</sup> 2024 – AGM, followed by talk: Twenty Years of Bird Surveying at Strensall Common**  
**AGM 6.30pm start to approximately 7.45pm – members only.**

**8pm: Twenty years of Bird Surveying at Strensall Common with Nigel Boatman – all welcome.**

Nigel is the current organiser of the annual bird survey of Strensall Common. Using a wealth of historical data, Nigel's talk is based on an article written for the MOD for their magazine in relation to conservation on their sites and summarizing the trends for eight birds of interest; heathland habitat specialists and / or red-listed species of conservation concern.

On this occasion we plan to have tea/coffee after the AGM and prior to the talk. So, if you are coming for the talk only, please arrive at around 7.45pm. £3 for non- members.

### **Winter and Wildlife**

It is still an important time to help wildlife where you can with extra food to support them through the cold weather. Putting out food for the birds and ensuring they have access to water daily (in case it freezes over) will be appreciated. Some of our local hedgehogs may be about for periods during the normal hibernation period. If you feed them the rest of the year it is a good idea to put out some kitten biscuits or dry hedgehog food in a covered place and keep an eye on it. A hedgehog out during the day at this time of year is in trouble and needs your help. Contact Lynne on 01347 878310 or Sally on 01347 878272 for advice. See also the site

<https://www.yorkshirehedgehogs.co.uk> for information on local hedgehog rescue contacts and more information on what to do.

If you would like any more information on the Sheriff Hutton Nature Group or would like a copy of the evening programme, please contact Sally on 01347 878272 or email [shnaturegroup@gmail.com](mailto:shnaturegroup@gmail.com)

### **Marton Church**

We have two services planned for February, both at 3pm: a communion service on Sunday 4th February and a more reflective service on Sunday 18th February. Everyone very welcome - but please do dress up warmly!

Midday Prayers on Tuesday lunchtimes are going ahead, but until the weather gets a bit warmer we are currently meeting in each other's houses! Please contact Caroline (878242 or [martonintheforest@gmail.com](mailto:martonintheforest@gmail.com)) for details as we arrange our venue week by week.

Many thanks to Sarah and Rome Sigsworth who came up to Marton Church at Christmas and cleared some more of the spreading ground ivy in the churchyard. This revealed that the native bulbs we planted in autumn are growing well - so in due course we are looking forward to seeing more snowdrops, winter aconites, wood anemones and then bluebells. We certainly won't be attempting to clear all the ivy though - according to tradition this evergreen and extremely resilient plant is a symbol of immortality and everlasting friendship!

Do please get in touch if you and your family have any photos, stories or information about Marton Church which you might like to share with us in readiness for our History Day on 17th August 2024. It is always interesting to learn more about the people who have been associated with this beautiful, peaceful, historic church!

## **The UCCC Spring Fling: Afternoon Tea Party**

**Saturday 9th March at 3pm**

We are delighted to invite everyone aged over 70, living in Sheriff Hutton, Lilling and Stittenham, plus their partner (of any age) to a celebratory Tea Party in the Village Hall on Saturday 9th March at 3pm, together with a free raffle and musical entertainment. We will provide a warm welcome and afternoon tea, served to you by our friendly volunteers. The committee will be delivering invitations to as many households as possible at the end of February - if you haven't received yours by Monday 4th March and you would like to attend, please contact Caroline at [cjhunt.home@gmail.com](mailto:cjhunt.home@gmail.com) or 01347 878242. We are happy to provide lifts to/from the party and are also offering to deliver a 'tea out' to those who are unable to attend due to illness.

The party has been a great community event for many years. The first United Christian Churches Committee was formed back in the 1960s to bring the whole village together and provide a free evening meal and entertainment at New Year for all senior citizens living in the parish. Since then each party has been funded by a Village Auction, also run by the UCCC. Our hope is that moving the party into early spring will help us all avoid winter colds and having an afternoon tea rather than evening meal will make the most of the daylight too. We hope very much that you will be able to join us!

If you would like to help with laying tables, serving drinks, serving teas, preparing sandwiches, waiting at a table, washing up or clearing up at the end, Anna would love to hear from you (07771 616535). Over the years volunteers as well as guests have always enjoyed this lovely community event so whether you are potential guests or willing volunteers, we look forward to welcoming you!

## **History Group**

With no meeting in January it's been a quiet time for the History Group. Some of us have been doing preliminary work on projects which we are hoping to start in 2024 and our Archivist has continued with the indexing and consolidation of the fascinating material we hold in our archive store - which can be consulted (by appointment only) by anyone who has an interest in Sheriff Hutton's history. On Wednesday 21<sup>st</sup> February at 2pm in the Village Hall we will be welcoming Malcolm Brooke to talk to us about the "Baedeker Raid" on York by the Luftwaffe in 1942. It has been said that there was but one "lone French airman" defending our city – something we will learn the truth of – as well as the story of what actually happened to the troop train that was in York Station at the time.

Malcolm will be telling us about the technological resources which were available at the time both for defence and offence and will describe in detail the events both in the air and on the ground that fateful day of April 29<sup>th</sup> 1942. His presentation concludes with an illustrated "Then & Now" journey through York and we can look forward to a most interesting afternoon.

## **Advance Notice**

Our March meeting will be at 7.30pm in the Village Hall on Wednesday 27<sup>th</sup> March, when Kate Giles will be talking to us about the "Pickering Murals" – the extraordinary wall paintings uncovered in Pickering Church. More details next month.
