Our Fair patrons have expressed to us that they enjoyed visiting the booths inside The Market Place and it brought back memories of the past fairs when inside vendor space was available. Do you sell Avon? Pampered Chef? Offer home care for those who need extra help? Handyman who would like to share remodeling/or help with home improvements? Do you have a hobby to share? Perhaps you have new clothing to bring to sell at the fair. Would you like to share information on home schooling? Making seasonal crafts? Catering food for parties? Etc. There are so many opportunities to share your talent by having a booth in the Market Place for 2023. If you are a baker and would like to participate with food to purchase, you must contact the Greene County Health Department for the correct wording of ingredients on food labels. *NOTE: If there are more than one renter of booth space selling the same item(s) every effort will be made to place the exhibitors in other parts of the building.
