Visiting the booths inside The Market Place not only provides patrons with a break from the weather but also brings back memories of past fairs when inside vendor space was available. Do you sell Avon? Pampered Chef? Offer home care for those who need extra help? Handyman who would like to share remodeling/or help with home improvements information? Do you have a hobby to share? Perhaps you have new clothing to bring to sell at the fair. Would you like to share information on home schooling? Making seasonal crafts? Catering food for parties? Etc. Market Place provides so many opportunities to share your talent! If you are a baker and would like to participate with food to purchase, you must contact the Greene County Health Department for the correct wording of ingredients on food labels.
