General discussion without motions:

4-H reports – Megan Brittingham passed out the “OSU Extension, Greene County” update info sheet. She went over the info and answered questions.

- She reported that the Horse stall Committee has collected \$1425.00 and continues to work on this project.
- Megan asked Beef Committee representatives to share their concerns regarding the state fair and Greene County fair conflicts. Will Hawkins spoke explaining the conflicts. The beef committee is asking us to shift our show sched as follows;
 - Breeding Heifers to shown on Thursday, they can combine the Homegrown show and the Showmanship with that show.
 - Feeder Calf and Feeder Calf Showmanship would show on Monday, this would eliminate the Sunday show. The Feeder Calf’s would come in on Monday have their show then leave.
 - The Market show would stay the same on Wednesday then on Thursday morning the Breeding Heifers would come onto the grounds and have their shows. We would just have one Showmanship for the Breeding Heifers and Market animals.

After reviewing shows and schedules Jarret Test made a motion to amend the original show schedule to allow the beef committee to have the feeder calf show and showmanship and the market showmanship to happen on Monday at 3:00 pm, with check in from 7 to 9 am on Monday. Thurs breeding show breeding showmanship and homegrown show starting at noon.

- Megan provided copies of the Rabbitt Rules and requests approval of these rules.
- Shania Clevelle went over goats in regard to state fair. Jarrett asks that we address the state fair issues at the next meeting giving everyone time to review the state fair schedule vs our own.
