Das Bierhalle is an Oktoberfest-styled bar and restaurant where guests are welcome to gather and enjoy beer, food, and socializing! Bier-halles have played a significant role in German culture, and while we do not claim to be an "authentic" German restaurant, we have many family recipes that allow us to share a little bit of home with you. We are ready and able to host your private events including baby showers, graduation parties, retirement celebrations, wakes or memorial services, class reunions, holiday parties, social club meetings, corporate luncheons, classes or workshops and MORE!
