

September 2026 Parent Calendar - PJ

Welcome Back! We are looking forward to the 2026-2027 school year.

Tips for a successful school year:

- School starts at 9:00am. Please arrive on time so children can participate in breakfast with their class.
- Complete a health check-in with your teacher every morning at drop off.
- Attendance is important. Ask for guidance if you are unsure if your child can come to school due to illness
