## FOX RUN GOLF CLUB

Fox Run was originally opened in 1969 as a 9-hole executive golf course located on the 150-acre Moore Family dairy farm in Ludlow, Vermont. Local Ludlow resident, Stan Johnson, was hired to design and build the original layout. After several groups owned and operated the property, it was purchased by the Garvey Family and successfully operated from 1977-1997. Okemo Mountain, owned by Tim and Diane Mueller purchased the property and expanded it to an 18- hole championship layout. The original golf course was bulldozed, and Steve Durkee was hired to design and build the new layout, with the help of Construction and Grow-in Superintendent Rodney Williams. In 1999 the first 9 holes of the new Okemo Valley Golf Club were opened and the following year the 18-hole course officially opened.

Between 2000-2018 Okemo Valley Golf Club was operated under the leadership of General Manager/COO Jim Remy, past president of the PGA of America. In 2018 Vail Resorts purchased Okemo Mountain and Okemo Valley Golf Club. The property was sold to current ownership in April of 2021. Since the purchase, current ownership has changed the name back to the original Fox Run Golf Club and has made a significant investment into the golf course, putting new sand in the bunkers, constructing new forward tee boxes, purchasing state-of-the-art maintenance equipment, among many other capital improvement projects.

## OUR SETTING

Nestled in the heart of the Okemo Valley, Fox Run Golf Club stands as a testament to ownership's commitment to delivering a best-in-class golf experience with challenging greens and year-round, stunning views of the Okemo Mountain, which creates a stunning backdrop for every swing and putt. The panoramic views from Fox Run Golf Club are nothing short of awe-inspiring. Each hole offers a new perspective, showcasing the natural beauty of the surrounding Ludlow valley, with its quaint charm and serene landscapes. The design of Fox Run Golf Club seamlessly integrates with the terrain, preserving the natural contours and enhancing the overall aesthetic. Strategic bunkers, shimmering ponds, and thoughtfully designed landscapes add an element of challenge to the game, while also contributing to the visual allure of the course.
