# SPONSORSHIP PROPOSAL

U 14 / 15 BOYS

WESTSIDE LAKERS ENGLAND TOUR 2026

## Introduction

### SUPPORT THE DREAM: HELP OUR U14/15 SELECT BOYS TEAM REACH NEW HEIGHTS

This spring break, a group of dedicated, determined, and talented U14/15 boys from our local soccer club have the opportunity of a lifetime: a 10-day elite soccer experience in the heart of English football.

They're not just going overseas — they're stepping onto the training grounds of six English Premier League clubs, gaining technical and tactical insight from top-level coaches, using state-of-the-art facilities, and testing themselves in three competitive fixtures. They'll tour world-famous stadiums, cheer from the stands at live Premier League games, and soak in the rich history and culture of the UK. But more than that, they'll come back changed — as stronger players, tighter teammates, and more confident young men.

# Why This Matters

## Help Our U14/15 Boys Team Reach New Heights

This team stands among the finest squads in the region and have a hunger to grow, to compete, and to put our club and community on the map. They've set their sights high this season: to compete for a provincial championship, and a long-term goal of being a program that develops top-tier talent and future leaders. This tour is a stepping stone – one that could ignite a path to greater honors and be an inspiration for every team that follows.

And they're making history. No team from our region has ever attempted a tour like this before. They are pioneers, and with the support of their community, they're ready to represent us with pride on an international stage.

## More than Just a Trip

**This is more than soccer. It's about:**

- Building character, confidence & culture
- Creating memories and friendships that will last a lifetime
- Inspiring future players in our club and community
- Strengthening family and community bonds through shared support and pride

# How You Can Help

To make this dream a reality, we're asking for the support of local businesses, community leaders, and families. Every dollar raised goes directly to reducing the cost for players, ensuring that financial barriers don't stand in the way of this life-changing opportunity.

This trip is being entirely funded by the players themselves. Your sponsorship isn't just an investment in one team — it's an investment in our community's youth, in ambition, in hope, and in the power of sport to open doors.

Help our players write a story of success that starts here, with your support, and reaches across the ocean.
