

# **U7-U13 SKILL CENTRE ACADEMY**

## **U7-U13 WINTER PROGRAM:**

This program will include specialized individual technical training along with dynamic group training. Led by our Technical Director, this program helps develop players' skills to reach their soccer potential. Players currently in WYSA's Skill Centre program will continue their development journey under our Staff Coaches, while we prepare players for team formations on March 1.

- Ages = 2019 through 2013 birth years
- Training = Boys on Mon+Wed nights / Girls on Tues+Thurs nights
- Exhibition games included on Saturdays and occasionally Sunday (minimum 4 games planned in this development block, potentially up to 8 games)
- All skill levels welcome (groups will be tiered by age/ability)
- Curriculum by WYSA's Technical Director
- Sessions coached by certified Staff Coaches
- Includes training kit (shirt/short/socks) and game shirt
- Skill Centre players from Nov-Dec will have until Dec 14 to secure their place in the Jan-Mar program before spots open to public

**Only \$299  
for this winter  
program!**

*The Skill Centre is a player-centric development program that is managed by our TD and Staff Coaches, providing an age & development appropriate training curriculum in an exciting, fun & challenging environment. We will group players appropriately to ensure optimal challenge & competition, which drives excellence. This all-inclusive program provides players an opportunity to belong to the highest level of youth development before possibly moving into the BCSPL level of play.*

*The first 3 development blocks are staff led, whereas the outdoor final block has an appointed Head Coach for spring league play.*

*We have made this program very cost-effective, allowing parents to budget their children's participation over time, and with no yearly up-front fees.*
