

U7-U13 SKILL CENTRE **ACADEMY**

U7-U13 FALL PROGRAM:

This program will include specialized individual technical training along with dynamic group training. Led by our Technical Director, this program helps develop players' skills to reach their soccer potential. Players currently in WYSA's Skill Centre program will continue their development journey under our Staff Coaches, while recreational or new players to WYSA with the passion for the sport will experience the skills and training to push their game to the next level.

- 4 Groups = U8 (2019/2018), U10 (2017/2016), U12 (2015/2014), U13 (2013)
- Training = Boys on Mon+Wed nights / Girls on Tues+Thurs nights
- Exhibition games included on Saturdays (min 3 for U9+U10, 5 for other groups)
- U9+U10 age groups will also play in the WYSA Thanksgiving tournament
- Program dates = September 1 through October 12
- All skill levels welcome (groups will be tiered by age/ability)
- Curriculum by WYSA's Technical Director
- Sessions coached by certified Staff Coaches
- Includes game kit (shirt/short/socks) and training shirt
- Group sizes will be capped, so register asap!

**Only \$199
for this fall
program!**

DEVELOPMENT BLOCK 4

Mar 30 - Jun 21
(12 weeks)

The Skill Centre is a player-centric development program that is managed by our TD and Staff Coaches, providing an age & development appropriate training curriculum in an exciting, fun & challenging environment. We will group players appropriately to ensure optimal challenge & competition, which drives excellence. This all-inclusive program provides players an opportunity to belong to the highest level of youth development before possibly moving into the BCSPL level of play.

The first 3 development blocks are staff led, whereas the outdoor final block has an appointed Head Coach for spring league play.

We have made this program very cost-effective, allowing parents to budget their children's participation over time, and with no yearly up-front fees.
