

GENERAL PRICE LIST

Prices Effective, September 10, 2025 and Are Subject To Change Without Notice

Our mission is to provide quality and respectful services for traditional casketed burials, cremation, reduction by other means, and home funerals. The staff has decades of experience in the funeral industry dealing with families at possibly the worst time of their lives. It is our goal to provide our services for an affordable price while providing reasonable service to our client families.

To keep our prices as low as they are, we must require payment in full at the time arrangements are made. We accept cash, check, debit, VISA, MasterCard, Discover, American Express, and verifiable prepaid funeral plans from some funeral insurers or tribal entities with verification by your Funeral Director. Payment Plans and Estate filings are not available. For questions regarding our payment policy, we suggest calling our office to speak with a Funeral Director.

Payment plans for pre-arrangements through United Heritage Insurance Company or American Burial & Cremation Master Trust may be available.

The goods and services shown are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our Basic Service Fee. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.
