Hello everyone,
 I wanted to let you all know that we had a meeting last week with the St. Joseph Cemetery Board. We are having to make a change of vendors for the person who digs the graves for us. There will be a slight adjustment in costs. The cost for the opening of the grave includes the labor we pay for the digging, but it also funds the perpetual upkeep of the cemetery. Once we finalize prices for this year, I'll put them in the church so that everyone can see them.
 God bless you all,
 Father Jake

“For God so loved the world that he gave his only Son.”
(John 3:16)

Building Bridges of Hope

Parishioner Amy Obringer was recently working with Building Bridges of Hope (BBOH) in the Dominican Republic. St. Mary's is partnering with BBOH to assist the communities at the Dominican Republic-Haiti border.

We have already provided enough money to fund 1 year of Albendazole, the single tablet medication that helps kill parasitic worms in their digestive tract. The diocese in this area has asked for help in funding repairs to the village chapels. We successfully raised the money thanks to your donations and most likely will be repairing the chapel in Manyaya (see star on the map). Although this is in the DR, it is predominantly a Haitian community. The community speaks Creole, they work as farmers, and there are many children. If the children do attend school, it is usually only until 5th grade. See next week's bulletins for the repairs that need to be made. If you have any questions, contact Amy at aobringer@sf.edu or 260-433-7815. Thank you for your support of this project!
