Hello everyone,

I want to thank all the many volunteers who have been hard at work on the parish grounds these last couple of weeks. It takes an army of people to do all the work. The gardens of the parish look great and it is a testament to these volunteers and their dedication to God and the parish. Thanks so much!

As you can see, the rectory seems to be coming along nicely. It's great to see action on the project. I don't have a date yet for the estimated completion. I'll keep you all posted. God bless, Father Jake

## **Annual Bishop's Appeal**

This year's Annual Bishop's Appeal begins July 1st, 2026 and runs through June 30th, 2027. Most people pay their pledge in full within 6 months, but if you prefer to spread your payments over 10 or 12 months these two options are available, using a credit card or EFT/ACH:

- You may go online, to [diocesefwsb.org/aba](http://diocesefwsb.org/aba) and enter your ABA 40 gift on or after July 1st, 2026
- Or, the donor may call Claire Klinedinst at 574-258-6571 and she will enter it for you

With either of the above options, you **should not** fill out a pledge card, as that will result in a duplicate pledge.

If you prefer to pay via paper check with statements mailed to you, monthly statements will begin in August, 2026. The date of the pledge determines how many months are available for payments.

Corpus Christi  
June 7, 2026

“Whoever eats my flesh and drinks my blood remains in me and I in him.”  
(John 6:56)

Priests spend their lives praying for us, celebrating sacraments and guiding us closer to Christ. On World Priest Day, take time to pray for them, asking God to bless their ministry and grow their holiness as they continue to serve the Church with love and dedication. Consider offering your prayers, sacrifices or acts of service in gratitude for priests today.

## Building Bridges of Hope

In last week's bulletin, we introduced you to the community of Manyaya at the DR-Haiti border and their chapel which is in need of repairs. The interior is very simple. Normally, there are 6 church pews present, but this picture was taken on a medical clinic day. As such, the church was set up for small animal surgery (to the right) and the pews are moved outside to serve as seating in waiting to see a physician or have a child evaluated for malnutrition. The chapel has a large hole in the wall that is being filled in with an upright church pew. The doors need repaired and the entire inside and outside needs painted. We have sent Building Bridges of Hope money to cover all the needed repairs. The local Bishop has not confirmed which chapel to start with first, but this one in Manyaya needs repaired very badly. We will get updated pictures once repairs start.
