

The Portable Wireless POS Solution

Empower your growing enterprise with the EvolvPay110 POS terminal, delivering unmatched convenience right at your fingertips.

User-friendly and Intuitive Experience

Enjoy a user-friendly experience with a handheld, spacious touchscreen display on our intuitive interface with a digital signature capture feature with print, SMS, or email receipt options.

Secure and Convenient Contactless Payments

Embrace the future of payments with advanced EMV card technology, providing choices from swipe, tap, and dip card payment options, accompanied by a secure digital signature capture feature, making payments both safe and convenient.

Payment Convenience and Pricing Flexibility

Merchants benefit from a range of pricing choices, including Dual Pricing for prompt payments all while ensuring transparency through comprehensive transaction displays accessible anytime, anywhere.

Advanced Technological Expertise

Utilize cutting-edge technology for flexible transaction processing with dual merchant IDs (MIDs), uninterrupted service with the auto-connection fallback procedure, and enhanced GPRS/4G and Wi-Fi options, ensuring secure and reliable services.
