

# LOST FRIDAY FLY FISHING CLASSIC

## LINCOLN HILLS FLY FISHING CLUB

Located just 43 miles from downtown Denver, Lincoln Hills is a premier fly fishing destination offering an unparalleled, all-river “catch-and-release” experience. Widely considered by experts to hold the best fly fishing in Colorado, this private retreat allows anglers to pursue a “Grand Slam” of rainbow, brown, cutthroat, and brook trout in a single day! Supporters and anglers of all abilities are welcome and can additionally enjoy archery and horseback riding activities.

The Lincoln Hills Cares Lost Friday Fly Fishing Classic raises much-needed funds to support the next generation of young leaders through outdoor and environmental education, cultural history exploration, and workforce advancement. Your support helps empower communities by providing equitable access to life-changing outdoor experiences while diversifying the outdoors for generations to come all while getting lost in the beautiful Colorado mountain scenery and fishing at one of Colorado’s premier fly fishing clubs.

*Please join us and make a difference today by empowering youth, one adventure at a time!*

Your support helps Lincoln Hills Cares reconnect historically marginalized communities to nature through outdoor education, environmental STEM, and cultural history programs!

Thanks to your support and the support of many partners, no participant is turned away based off their financial circumstances.
