DONOR INFORMATION:

First & Last Name:

Address:

Phone #: Email:

“

I moved to Dundas in 2017 when I was ten years old, *living in a toxic household, full of anger and with no friends.*

I was introduced to Routes where I found *a pathway to friends, positive and fun activities and role models.*

My life as an 18 year old in 2025 has turned around and *now in 2025 I have a job and looking forward to a bright future.*

”
