Which learning track best fits your topic?\*

- ☐ The Power of Relationships
- ☐ Advancing Reconciliation
- ☐ Livable & Sustainable Communities
- ☐ Emerging Tech Trends

Proposed Session Title (short & engaging yet descriptive)\*

---

---

---

---

LGMA's goal in conference programming is to create the best possible learning experience. We encourage you to think creatively about how to deliver your content, engage participants, and provide them with tangible, practical tools & strategies. All sessions should be interactive and allow time for questions or discussion.

Refer to the selection criteria ([lgma.ca/speaker-opportunities](https://lgma.ca/speaker-opportunities)) to learn more.

## Which learning track best fits your topic?\*

- ☐ Pre-conference: Full-day workshop
- ☐ Pre-conference: Half-day workshop
- ☐ Keynote address (60-75 min, for professional speakers with experience presenting to large conference audiences)
- ☐ Panel discussion (50-75 min)
- ☐ Workshop/Hands-on Learning Activity (50-75 min)
- ☐ Walk & Talk (75 min, slow-paced walk or holding the session outdoors - no technology)
- ☐ Facilitated Small Group Discussions (50-75 min, sometimes called Knowledge Cafe)
- ☐ Presentation (50 min)
- ☐ Deep Dive (75 min, in-depth exploration of topics that may have a presentation and workshop/discussion element)
- ☐ Other (session format not mentioned above or combination of several formats)
- ☐ I have a great idea but would love some help to select the ideal format; please follow up with me to discuss.

If you said "Other" above, please describe your proposed format.

---

---

---

---

Session Description (in 150 words or less provide a concise outline of the challenge, issue, opportunity, or innovation being discussed) \*

---

---

---

---

Would you be willing to be paired up with other presenters who have similar topics for a co-presentation or panel discussion?\*

☐ Yes

☐ No

What are two or three learning objectives and tangible take-aways for participants? (sessions should be solution-oriented and focused on real-world applications) \*

---

---

---

---

How will you engage participants and make the session interactive? (breakout groups, discussions, activities, polling/quizzes, word cloud, etc.)\*

---

---

---

---

Please share additional comments or any relevant details you would like us to know (e.g. prior public speaking experience, past presentations).

If you are a professional speaker, please provide your fee and a link to your website here.

---

---

---

---

Please upload a headshot for **each presenter**.

High resolution colour headshot of presenter(s). These images will be used for publication only if the proposal is accepted. Please upload .jpg or .png files only. The file name should be the presenter's first and last name.

To select multiple files, hold the Ctrl key and click on the files.

Please enter a short biography (2-3 sentences) for **each presenter**, that best describes their experience relating to the session.

---

---

---

---

I agree to have my image and name used in LGMA communications and publications related to the 2026 LGMA Annual Conference if my proposal is accepted.\*

- ☐ Yes
- ☐ No

I have read and agree to the Speaker Terms & Conditions ([lgma.ca/speaker-opportunities](http://lgma.ca/speaker-opportunities)).\*

☐ Yes

☐ No
