## MENU

**“TERIYAKI THE WAY  
IT SHOULD BEE”**

Here at B-Man's we believe in serving quality at a fair price. We choose only the finest ingredients for our homemade recipes. Our teriyaki sauce is sweetened with real honey and no refined white sugar. It's the taste that keeps everyone craving more. Our Chicken Curry, made with imported Japanese spices, as well as our Chicken Chili, are just as delicious over a bowl of rice as they are topping our golden brown krinkle cut fries. Our marinades that make our chicken skewers and tofu skewers “Oh so Good”, as well as our Honey-Sesame Vinaigrette for our Chinese Chicken Salad, are all the B-Man's own personal recipes.

These are just a few of the ways that we at B-Man's try to make your dining experience here a special one. We do our best to make it right every time and we appreciate your patronage
