

Seeking Christ in a World That Doesn't – Week 5
June 7, 2026
“Seeking the Community of Grace”
1 Peter 5:5-11

1. Pastor Dean shared some statistics on people feeling isolated and lacking community. Do you experience any feelings of loneliness and lack of community? If so, what might be an option or two for you to help that situation?
2. We viewed a one-minute video clip of two Olympic runners providing community for each other during a challenging time in their race. What jumped out to you from their interaction?
3. We live in a community of grace when we live submissively. Pastor Dean mentioned multiple areas that Peter calls us to live submissively in our daily life throughout his epistle. Can you name some of them? Which one do you need the Lord's help to do better?
4. We live in a community of grace when we live humbly. In what area of your life might the Lord want you to live more humbly? Why?
5. We live in a community of grace when we live trustingly. Is there something you are facing in your life where you are needing to trust Christ in a greater way? What would it look like if you did?
6. We live in a community of grace when we live soberly and watchfully. In what aspect of your life do you face temptation and need to remain more alert and prepared to resist it?
7. Any other comments?
