

**Seeking Christ in a World That Doesn't -
Week 6 - June 16, 2026
"Seeking the Eternal Glory"
1 Peter 5:10-11**

1. Pastor Dean's sermon theme was "What grace starts glory finishes." How did God's grace start in your life? How are you trying (in this season of your life) to make sure you finish strong - as you head toward His glory?
2. What is one area of suffering or one trial that you have had to deal with in the past - or are currently? How did or how is the Lord working in that situation?
3. What is one guarantee - from a person or a company - that was made to you but wasn't fulfilled? What is one promise from God or answer to prayer from God that He has fulfilled? Why are both of those important to remember?
4. What is one way God has crafted your character in your days walking with Him? What is an area of character in your life that needs God to do more crafting into the likeness of Christ?
5. How have you "run into the arms of God" recently? What did you experience or learn from it?
6. Any other comments?
