# Welcome to Community Church of Greenwood!

The best way to get connected here is to come to the Welcome Desk in the lobby and introduce yourself. We are a church family built on a strong foundation of relationships and friendships, and we want to greet you directly and introduce ourselves in person. We have a small gift waiting for you in the lobby today, too!

You can stay connected with us through [ccgonline.org](http://ccgonline.org), our mobile app called "Church Center", and our social media channels.

## Pray for our new Lead Pastor

Todd Allen has accepted the role as our new lead pastor! Please join us in prayer for their family.

- An encouraging update: their Florida home is under contract! Please continue praying as they take the next steps in their move.
- Pray for the Allen kids as they prepare for the move to Indiana.

## church center

Staying connected as a church goes beyond Sunday and the **Church Center app** makes that easier than ever. Through Groups, you can connect with your Small Group, stay updated on upcoming gatherings, and grow in community throughout the week. And with Chat, those connections don't stop when the meeting ends. You can share prayer requests, celebrate what God is doing and coordinate plans, all in one place. Chat also includes helpful features for more intentional conversations, like the ability to create men's or women's chats within a group. This creates space for more personal encouragement, accountability, and support when it's needed most. Instead of scattered texts and emails, everything lives in one simple, accessible space—helping us stay connected as a church family every day of the week. Want to join a small group? ## ► **July at Community Church of Greenwood**

July is shaping up to be a meaningful and exciting month in the life of our church, with three special Sundays you won't want to miss:

### **July 5 – One Service at 10:00am**

In observance of Independence Day weekend, we will gather for a single worship service at 10:00am. We look forward to celebrating together as one church family.

### **July 12 – Half A Century of Hope**

Join us for a special day as we launch the 50th anniversary celebration of Community Church of Greenwood. Our founding pastor, Dr. Charles Lake, will be with us to preach during our one combined service at 10:00am.

Following the service, everyone is invited to stay for a church-wide lunch and celebration. To help us plan ahead, registration is required for the meal with a cost of \$5/person. Please sign up in the Church Center app or at [ccgonline.org/lunch](http://ccgonline.org/lunch).

There will also be water slides and activities for all ages, making this a fun and memorable day for the whole family!

### **July 19 – First Sunday for Our New Lead Pastor**

We are excited to welcome Todd Allen as he preaches his first sermon as Lead Pastor of Community Church of Greenwood. Make plans to be here as we begin this new chapter together.

We hope you will join us each week as we worship, celebrate, and look ahead with anticipation to what God is doing in our church.
