

Oasis Dental Team Careers - Dental Assistant / EFDA

Dental Assistant / EFDA Careers

At Oasis Dental Team, we are looking for a motivated, dependable, and patient-focused Dental Assistant or EFDA to join our growing practice. Our team is committed to providing comprehensive, comfort-focused dentistry in a welcoming environment where patients feel supported, informed, and cared for at every step of their visit.

This role is ideal for someone who enjoys working closely with both patients and doctors, values teamwork, and takes pride in helping the office run efficiently. We are looking for a strong team player who brings positive energy, clinical confidence, and a willingness to learn and grow with the practice.

Our Team Environment

Teamwork is one of the most important parts of our office culture. We believe the best patient care happens when every team member communicates well, supports one another, and works together toward a shared goal of excellent service and clinical care.

Our office promotes a positive, professional, and growth-oriented workplace. Through regular team communication, continued training, and a collaborative approach to patient care, we work to create an environment where employees feel valued and motivated to succeed.

Role Overview

A Dental Assistant or EFDA at Oasis Dental Team plays a key role in supporting patient care, keeping clinical systems organized, and helping the practice deliver a smooth and comfortable experience. This position is especially well suited for someone who is proactive, detail-oriented, and comfortable in a fast-paced dental environment.

Responsibilities may include:

- Assisting the doctor during a wide range of dental procedures
- Preparing and breaking down operatories
- Sterilizing instruments and maintaining clinical organization
- Taking digital radiographs, photographs, and other records as needed
- Supporting patient education and reinforcing treatment recommendations
- Helping ensure efficient patient flow throughout the day
- Using and learning advanced dental technology as part of modern patient care
- For EFDAs, performing expanded functions allowed by licensure and office protocols

Growth and Technology

Oasis Dental Team continues to grow by combining high-quality clinical care with advanced technology and strong patient communication. Our practice values team members who are adaptable, motivated, and excited to improve their skills while supporting modern dentistry.

We are especially interested in candidates who are open to learning new systems, strengthening their clinical abilities, and contributing to a patient-centered practice focused on long-term oral health.

Benefits and Opportunity

We offer competitive compensation based on experience, skill level, and qualifications, along with opportunities for continued growth within the practice. Team members who are dependable, engaged, and committed to excellence have the chance to grow with a practice that values both personal development and team success.

Benefits may include:

- Competitive wages
- Health insurance
- Dental insurance
- 401(k)
- Paid time off
- Ongoing learning and development opportunities
