Featuring a bright, white tone, this Apollo surface is a great way to emphasise a high-end appearance.

The veined pattern introduces visual variety, with dark-grey lines and a polished finish offering a subtle marble effect. Heat and scratch-resistant properties keep it looking newer for longer, and a non-porous surface makes it less susceptible to marks or stains for a pristine appearance. As it is made-to-measure, it ensures a fitting tailored to individual workspaces, with a choice of profiles crafting a high-end aesthetic. Meanwhile, its water resistance qualities make it suitable for wet areas...
