

Growing in Community
Rooted in Faith

2026-2027
ANNUAL GIVING

Our Mission

Mary of Nazareth School prepares children for lives of service to God and neighbor through a rigorous academic program rooted in the faith and teachings of the Roman Catholic Church, as professed in the Creed, celebrated in the sacraments, lived in Christian virtue, and affirmed in prayer.

Our Philosophy

Mary of Nazareth School is a Christ-centered environment where each child, nurtured by the parent, parish, and educator, is encouraged to follow the example of Jesus in all aspects of life. Our students thrive in an environment of regular worship, service, daily prayer, devotion to Mary, and consistent reference to the Word of God. We welcome diversity among our inclusive student body and stress the unifying concepts of tolerance, love, and respect. Students are encouraged to seek knowledge through the teachings of the Catholic Church and apply those teachings to daily life.

Mary of Nazareth School is composed of three age-focused programs: early childhood, intermediate, and middle school. Within these programs, teachers collaborate to develop and strengthen relationships. These interdependent relationships within the school community are fostered through the leadership of administrators.

The curriculum of the Archdiocese of Washington is viewed from a Catholic perspective, with a central love for the wisdom that comes from the Holy Spirit. The faculty is aware that the manner in which we model our love of God and the Church encourages our students in their own search for lasting faith. Families of our students and their individual parishes continue to foster a love for Christ and a respect for education. Parents are the primary educators; in partnership, teachers and parents strive for the overall success of each student.

We are dedicated to providing students with a well-rounded curriculum, which focuses on the spiritual, developmental, emotional, cognitive, and physical well-being of our students. Recognizing the multiple learning styles and diverse needs present in each classroom, the educators differentiate instruction using a variety of resources, teaching methods, and assessments. Through reinforcement, praise, and consequence, we foster enthusiasm for education. As a result, our students develop inner confidence to make choices that positively impact their world.

Why We Give to Mary of Nazareth

BARNES FAMILY

Dear Mary of Nazareth Families,

It is with tremendous pride in our Mustang community that we have the honor of chairing the 2026-2027 Annual Giving Campaign. We'd like to take this opportunity to reflect on this year's theme, "Growing in Community, Rooted in Faith," to share candidly why we give, and to humbly ask you to join us in supporting Mary of Nazareth.

Like many of you, we knew Mary of Nazareth was the right choice for our children. What immediately set MoN apart for us when we were touring nearby schools ahead of our eldest (Brody, now in seventh grade) entering kindergarten was how personal this community is to its leaders. As we toured this school, we were stopped in the elementary hall by Mrs. Ryba, who introduced herself and told us how long she had been at MoN and how many teachers have children attending MoN or have alumni children of their own. We left believing in our hearts that teaching wasn't merely a job here; it was a calling.

Now, with our youngest, Brooks, in third grade, we have seen MoN graduates return after college to teach here. Their return is a testament we've come to understand deeply: teaching at MoN is truly a vocation starting with our principal, Mr. Friel, and extending through every member of our faculty and staff. What we believed back then, we now know to be true. The teachers here don't just work in this community; they belong to it, they care about it, and they treat our children as their own. Their ability to bring their talents, energy, and commitment to MoN is because of your support.

As our school community has grown over the years, that growth, and the generosity that has accompanied it, has allowed Mary of Nazareth to continue investing more deeply in the people who make this school what it is. Annual Giving helps us support meaningful increases in teacher compensation, provide resources that strengthen their work, and enhance the experience of every child in their care. We are grateful for the opportunity to give back to the teachers who give so much of themselves to our children and our community.

We consider ourselves fortunate that MoN remains one of the most affordable Catholic private schools in Montgomery County. Yet tuition does not cover the full cost of a Mary of Nazareth education. Annual Giving helps bridge that gap by offsetting operating costs and allowing the school to invest in campus repairs and improvements, technology and classroom resources, professional development, and well-deserved raises that help support and retain our dedicated teachers.

Why We Give to Mary of Nazareth

Continued

BARNES FAMILY

The impact of this campaign is tangible. Through last year's campaign, the school was able to outfit our brand-new interactive Spanish lab, renovate the reading room, cover the cost of supplies, and provide new desks for classrooms. Whether it's a new idea taking shape or a long-needed improvement made, we are always grateful to see it happen. Your contribution doesn't disappear into a budget line; you can see exactly what it becomes.

Our faith calls on us to share abundantly. At the same time, we can't imagine a better place to invest than right here, in the very community we are rooted in, during our children's most formative years. It is that spirit of giving that allows us to enrich our community while our children are here and leave it even better than we found it, year after year. We hope you'll join us in this year's appeal.

Truly, There's No Place Like MoN,

Mike, Neely, Brody & Brooks Barnes

Acknowledgements & Awards

2025-2026 CBN Nomination Volunteer of the Year

SEAN HAND

We are pleased to recognize Sean Hand as our nomination for the 2025-2026 CBN Volunteer Partner of the Year for his outstanding dedication and service to the Mary of Nazareth community. As the proud father of Raegan (6th), Ryann (5th), and Reece (4th), Sean has been an unwavering supporter of our school and has generously devoted countless hours to both the HSA and Sports Committee. In his role as HSA Vice President, Sean has helped organize many beloved school traditions, including the Back-to-School Picnic, Race for Scholars, and Breakfast with St. Nick. Whether leading an event, supporting our athletic programs, or simply stepping in wherever help is needed, Sean brings a positive attitude, strong leadership, and a genuine willingness to serve. His commitment has helped our programs thrive and has strengthened the sense of community that makes Mary of Nazareth so special. We are truly grateful for Sean's generosity of time and talent and for the heartfelt dedication he continues to show our students, families, and school.

2025-2026 CBN Nomination Business Partner of the Year

FOX CHAPEL ANIMAL HOSPITAL

Mary of Nazareth School proudly recognizes Fox Chapel Animal Hospital as our nomination for the 2025-2026 Catholic Business Partner of the Year for their extraordinary generosity, partnership, and commitment to our school community. Year after year, their gracious sponsorship of events such as the Benefit Auction and Race for Scholars has helped strengthen our school's legacy and expand opportunities for our students and families. Their support extends far beyond sponsorship. The Escano family consistently gives their time and talents, serving as Room Parents for Spirit Day, chairing the Annual Giving Campaign, and eagerly stepping in wherever they are needed. Their willingness to serve reflects a true spirit of stewardship and a deep commitment to the mission of Mary of Nazareth. We are deeply grateful to Fox Chapel Animal Hospital and the Escano family for their continued generosity and for the many ways they help our school community grow and thrive.

2025-2026 CBN Grant for Facility Upgrades

The Catholic Business Network continues to generously support Catholic schools and Catholic school families throughout Montgomery County. We are grateful for their generous \$1,800 grant to Mary of Nazareth Catholic School, which will help fund the replacement of aging restroom fixtures with modern, touchless toilet flush valves. At MoN, we are committed to creating a safe, healthy, and well-maintained environment for our students and staff. These new touchless systems will improve hygiene, reduce maintenance concerns, conserve water, and promote responsible stewardship of our school resources. We are deeply grateful for the Catholic Business Network's continued partnership and commitment to our school community. Their generosity allows us to make meaningful improvements to our campus while supporting the health, well-being, and daily experience of our students and faculty. Thank you for investing in Mary of Nazareth!

From the Board

CHAIR, BOARD OF DIRECTORS, GABRIELLA DANIEL

Dear Members of the Mary of Nazareth Community,

As we begin the new academic year, I am pleased to share that this year’s Annual Giving Campaign’s theme is Growing in Community, Rooted in Faith. Your contribution to the Annual Giving Campaign remains one of the cornerstones of Mary of Nazareth’s success and helps to uphold its mission, values, and excellence.

At Mary of Nazareth, our collective momentum as a community unites us. It is found in the dedication of our teachers, the enthusiasm of our students, the service of our parents, the guidance of our pastors, and the generosity of families, alumni, grandparents, and friends. During the past year, thanks to your generosity, the Annual Giving Campaign raised \$93,402.40 and the Annual Benefit Auction raised \$254,739.60. These generous gifts allow us to invest in the people and programs that directly impact our students—from competitive faculty and staff compensation and professional development to educational technology, small-group instruction, campus improvements, and the programs and traditions that bring our community together. Your support is instrumental for Mary of Nazareth as we educate our students to be reflective, lifelong learners and to live generously in service to others.

Each of us plays a meaningful role in creating an environment where children are known, supported, challenged, and encouraged to become people of faith, character, and purpose. I invite every family to consider how to be engaged at Mary of Nazareth. Participate in Annual Giving. Volunteer your time. Attend a school event. Welcome a new family. Support our teachers. Share Mary of Nazareth with others. No single action defines our community—rather, it is the collective commitment of hundreds of families choosing to invest their time, talent, and resources that allows our school to flourish.

On behalf of the Board of Directors, I am grateful for your ongoing loyalty to Mary of Nazareth. Your generosity ensures that as we grow, we remain rooted in the values and faith that have guided our school since opening its doors in 1994.

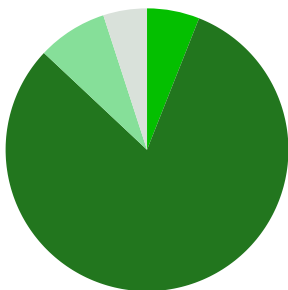

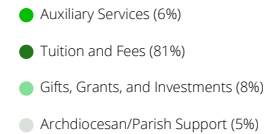

I look forward to working together as we begin the new academic year. May God continue to bless our students, families, faculty, staff, pastors, and friends throughout the year ahead. Together, may we continue Growing in Community, Rooted in Faith.

There is no place like MoN!

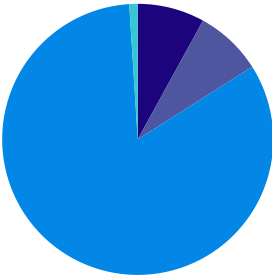

With gratitude,

Gabriella Daniel
Chair, Board of Directors

Once a Mustang...

Mary of Nazareth School is proud to spotlight alumna Dr. Lauren Singer, Class of 2010. She attended Georgetown Visitation, where she excelled in the classroom as a National Merit Scholar and on the court as a four-year varsity volleyball starter, team captain, and MVP. After graduating in 2014, she earned a B.S. in Mechanical Engineering from Bucknell University in 2018 as a recipient of the Dean's Scholarship. At Bucknell, she was a member of the Society & Technology Residential College, interned at the National Institute of Standards and Technology (NIST), and served as co-captain of the club volleyball team during her junior and senior years. Her academic journey continued at the University of Virginia, where she earned her Ph.D. in Materials Science and Engineering in 2024. Her doctoral research focused on *Hydrogen Interactions in Additively Manufactured Stainless Steels*. Today, she resides in Albuquerque, New Mexico, where she works at Sandia National Laboratories. Following a successful postdoc, she was promoted to Senior Member of Technical Staff. Her research takes her around the globe, with recent conference presentations in Germany and Hawaii. She is celebrating another incredible milestone as she gets married this October! Congratulations to Lauren on all of her achievements! She truly embodies the spirit of excellence nurtured at Mary of Nazareth.

LAUREN SINGER

CLASS OF 2010

...Always a Mustang!

JULIE YAPUR

CLASS OF 2015

Mary of Nazareth is proud to spotlight alumna Julie Yapur, whose passion for environmental science has taken her from the classroom into hands-on work in climate and agriculture. Julie studied Environmental Science and Policy at the University of Maryland, College Park, where she worked as a student researcher at the Special Collections and Archives Library, researching and writing for an environmental justice exhibit. Through the Leadership and Community Service Learning Office, Julie led environmental education trips to state parks, volunteered with the campus arboretum, and assisted in the planning and maintenance of the campus community garden during her college years. After graduating in 2023, she served as a Lapenta Intern with NOAA's Climate Program Office, exploring climate science and environmental research at the federal level. She also completed two terms with the Maryland Conservation Corps, working in state parks across Maryland on projects focused on environmental education, trail maintenance, and increased accessibility for park patrons. Today, Julie works at the Maryland Department of Agriculture as an ecologist in forest pest management. Julie's path reflects the many ways a strong foundation in science, curiosity, and service can grow into meaningful work that supports our communities and environment. We are proud to celebrate where her journey has taken her since her days at MoN.

Honor Roll

of donors

The Honor Roll of Donors includes gifts to the **Annual Giving Campaign** from July 1, 2025, through June 30, 2026. We have done our very best to ensure the accuracy of this report. We apologize for any errors or omissions. Should you find an error, please bring it to our attention by contacting the Development Office.

+ Denotes donors who have given more than \$5,000.
