REGISTRATION

COTILLION & SOCIAL ARTS

Mandy spent several years traveling the world while performing with Disney on Ice, gaining an appreciation for different cultures, customs, and social etiquette. For more than 25 years, she has coached children of all ages, helping them build confidence, character, sportsmanship, and respect both on and off the ice.

Alison has more than 35 years in the world of philanthropy, working with donors, soliciting and stewarding financial support, and event planning. Her work with program recipients around the world has heightened her awareness and appreciation for each person's unique gifts.

As MoN alumni mothers with two daughters and three sons between them, both women understand the importance of preparing young people with confidence and manners. As Certified Etiquette Consultants, Alison and Mandy will impart those social skills young people need to succeed in school, relationships, work environments and life.
