# ***Outer Burial Container Price List***

Prices are effective July 29, 2025, but are subject to change without notice.

### **Federal Trade Commission (FTC) Disclosure**

State or local law does not require buying a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not sink in. Either a grave liner or a burial vault will satisfy these requirements. Note there is a difference between a vault and a grave liner.
