Kevin Medeiros & Sarah Mazmanian, Owners & Funeral Directors

Proud to be a locally owned, Canadian independent funeral home.

Our Story

Throughout the nearly four decades that Corbett Funeral Home has been serving the families in and around Cambridge Ontario, we been guided by a simple principle: “We Care”. To this day, we proudly continue to pursue that same ideal. We believe it is the key to Corbett’s reputation for community focus and a commitment to the highest standards of compassionate and professional service.

Our history dates back to February 15, 1987 when our namesake Vic Corbett and his partner Richard Makcrow launched the firm, but our legacy really extends to Mr. Corbett’s long and distinguished career. A lifelong Galt resident, Vic Corbett served that community as a funeral director for 28 years before bringing both his name and his extensive experience to his own business. With the new firm established, Vic Corbett retired in 1993 and Richard Makcrow took on the role of managing director. Mr. Makcrow would guide the firm until his retirement in 2006.

Early in their tenure, Corbett and Makcrow would hire a young funeral director named Steve Parker who would become a mainstay of the firm and who after 18 years of service would be the obvious choice to take up the torch following the departure of the founders. For Steve Parker a personal dream was realized on January 31 of 2006 when he assumed ownership of Corbett Funeral Home.

Steve’s career at Corbett’s – including 20 years as the owner – would see him put his own mark on the business, establishing a personal and professional relationship with his community grounded in trust and reliability. Assembling a respected team of professionals, he modernized the business, and, on July 30, 2015, expanded the firm with the acquisition of the Lounsbury Funeral Home in Hespeler, Cambridge.

In February 2026 Steve Parker retired but only after bestowing a new generation of local ownership with the same opportunity he has been given; selling his interest in the business to those he had mentored. Kevin Medeiros and Sarah Mazmanian, both licensed funeral directors who had been with Corbett’s for several years, became the new owner-managers of the firm.

Today, with pride in our legacy of service and local ownership, the team at Corbett and Lounsbury Funeral Homes continue to offer the families of Cambridge a full range of services from the most traditional to the unique and highly personalized. With two locations providing dignified and comfortable surroundings, we are well equipped to accommodate the varied needs and expectations of those who turn to us at difficult times.

Corbett Funeral Home Limited is proud to be a locally-owned independent Canadian business and privileged to be the funeral home of choice for more Cambridge and area families than any other firm – a distinction we’ve held for many years and by which we are humbled.

We are grateful for the privilege of serving you.
