

# CDAP-Q3 2021 Patient Survey Program

**Tabular Percentile Report:** Coeur d'Alene Pediatrics

**Filters:** None

**Report Run Date:** December 23, 2021

**Current Date Range:** 12/22/2021 - 12/22/2021 (by survey date)

**Benchmark Specialty:** Pediatrics

Coeur d'Alene Pediatrics  
12/22/2021 - 12/22/2021 (by survey date)

Sample Size: 736

| <b>B. Access</b>                                                                                                                                                                                   | <b>Always<br/>%</b> | <b>#</b> | <b>Usually<br/>%</b> | <b>#</b> | <b>Sometimes<br/>%</b> | <b>#</b> | <b>Never<br/>%</b> | <b>#</b> | <b>Response<br/>#</b> |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|----------|----------------------|----------|------------------------|----------|--------------------|----------|-----------------------|
| 1. In the last 6 months, when you contacted this provider's office to get an appointment for care your child needed right away, how often did you get an appointment as soon as your child needed? | 67.9                | (477)    | 26.0                 | (183)    | 5.7                    | (40)     | 0.4                | (3)      | 703                   |
| 2. In the last 6 months, when you made an appointment for a check-up or routine care for your child with this provider, how often did you get an appointment as soon as your child needed?         | 67.1                | (481)    | 28.3                 | (203)    | 4.2                    | (30)     | 0.4                | (3)      | 717                   |
| 3. In the last 12 months, how often were you able to get the care your child needed from this provider's office during evenings, weekends, or holidays?                                            | 59.9                | (356)    | 23.7                 | (141)    | 7.6                    | (45)     | 8.8                | (52)     | 594                   |
| 4. In the last 6 months, when you contacted this provider's office during regular office hours, how often did you get an answer to your medical question that same day?                            | 74.0                | (511)    | 21.9                 | (151)    | 3.2                    | (22)     | 1.0                | (7)      | 691                   |
| 5. In the last 12 months, when you phoned this provider's office after regular office hours, how often did you get an answer to your medical question as soon as you needed?                       | 65.5                | (389)    | 24.2                 | (144)    | 6.9                    | (41)     | 3.4                | (20)     | 594                   |
| 6. Wait time includes time spent in the waiting room and exam room. In the last 12 months, how often did your child see this provider within 15 minutes of his or her appointment time?            | 47.6                | (338)    | 38.6                 | (274)    | 11.0                   | (78)     | 2.8                | (20)     | 710                   |
| <b>AVERAGE (Top Box) Section B</b>                                                                                                                                                                 | <b>63.7</b>         |          |                      |          |                        |          |                    |          |                       |

|                                                                                                                                                                                                             |  | No<br>%     | #    | Yes<br>% | #     | Response<br># |

| 1. In the last 6 months, how often did this provider explain things in a way that was easy to understand?                                                                                     | 91.9                | (659)    | 6.6                  | (47)     | 0.6                    | (4)      | 1.0                | (7)      | 717                   |
| 2. In the last 6 months, how often did this provider listen carefully to YOUR CHILD?                                                                                                          | 93.9                | (659)    | 4.6                  | (32)     | 0.7                    | (5)      | 0.9                | (6)      | 702                   |
| 3. In the last 6 months, how often did this provider explain things about your child's health in a way that was easy to understand?                                                           | 90.7                | (643)    | 8.3                  | (59)     | 0.7                    | (5)      | 0.3                | (2)      | 709                   |
| 4. In the last 6 months, how often did this provider listen carefully to you?                                                                                                                 | 92.1                | (649)    | 7.1                  | (50)     | 0.4                    | (3)      | 0.4                | (3)      | 705                   |
| 5. In the last 12 months, how often did this provider give you easy to understand information about these health questions or concerns?                                                       | 90.5                | (640)    | 8.6                  | (61)     | 0.6                    | (4)      | 0.3                | (2)      | 707                   |
| 6. In the last 6 months, how often did this provider seem to know the important information about your child's medical history?                                                               | 86.3                | (606)    | 11.7                 | (82)     | 1.6                    | (11)     | 0.4                | (3)      | 702                   |
| 7. In the last 6 months, how often did this provider show respect for what you had to say?                                                                                                    | 93.4                | (661)    | 5.5                  | (39)     | 0.7                    | (5)      | 0.4                | (3)      | 708                   |
| 8. In the last 6 months, how often did this provider spend enough time with your child?                                                                                                       | 91.1                | (642)    | 7.7                  | (54)     | 0.9                    | (6)      | 0.4                | (3)      | 705                   |
| 9. In the last 6 months, when this provider ordered a blood test, x-ray, or other test for your child, how often did someone from this provider's office follow up to give you those results? | 70.5                | (280)    | 8.8                  | (35)     | 3.3                    | (13)     | 17.4               | (69)     | 397                   |
| 10. In the last 6 months, how often did the provider named in Question 1 seem informed and up-to-date about the care your child got from specialists?                                         | 78.3                | (419)    | 13.5                 | (72)     | 3.0                    | (16)     | 5.2                | (28)     | 535                   |
| <b>AVERAGE (Top Box) Section D</b>                                                                                                                                                            | <b>88.9</b>         |          |                      |          |                        |          |                    |          |                       |
