HDHP Single Plan – Your Plan contains enhanced benefits through network providers. Benefits are generally paid at a higher level when using network Hospitals and network Physicians than when using non-network providers. For on-line inquiry to locate a network provider near You, or to verify that a provider is in the PPO network, visit the website listed on Your ID card. For direct assistance in locating network providers, call the “Provider Referral Number” listed on Your ID card.

You have free choice of any provider for medical care. At any time, the Covered Person may choose any qualified provider with the understanding that different benefits may apply according to the provisions of the Plan.
