## MASS INTENTIONS

Offering Mass for a special Intention is a long-standing tradition in the Catholic Church. It is usually considered that special graces are obtained for whom the Mass is said. Masses are offered for many reasons: for the souls in purgatory, in remembrance for someone who is deceased, or in honor of a birthday or anniversary. If you would like to have a Mass said for someone, go to the Parish Office to get on the schedule. Cards are then given to you so that you can mail them to whomever you choose to so they may also participate in the Mass. The stipend or offering given, (\$10 or more) signifies the sacrificial nature of giving of something of yourself to associate more intimately with Christ who offers himself in the Eucharist.

# FIFTH Sunday in Ordinary Time

February 5, 2023

## COMMUNITY OF LIGHT

Today's readings from Isaiah and Matthew evoke the powerful metaphor of light as an image of the community gathered by God. Jesus speaks of his followers as "light of the world": they are not the source of light, but a mirror reflecting the brightness of God. This light does not call attention to itself, but enables beauty to be revealed and celebrated, and sinfulness to be exposed and healed. The light of this community is not primarily for itself, but fulfills its purpose when it shines upon the world. The light that we the Church bring to our world can be hidden by "bushels" sometimes imposed by others and sometimes of our own making. Our lights may flicker and die under stress. What might sustain the brightness of our own small light? Our ongoing practices of community prayer, discernment, and action allow God to illumine our Church, day by day.

## LEARNING HOW TO BE CHURCH

Following last week's passage from Matthew with the Beatitudes, today we continue Jesus' Sermon on the Mount with his images of salt, light, and a city. Jesus moves from describing the core identity of the community he has gathered to considering its impact on the world. He wanted his community not just to claim its identity, but to live it out. He wanted his community to journey with him, to fully learn what this might mean.

For us, being salt for others may mean engaging and enriching the lives of our neighbors. Being light may mean illuminating and addressing the world's systems that sustain social sins of violence, racism, and vast inequalities of wealth and opportunity. Being a city set high may mean holding to high standards of transparency, respect, and care for each other. Like Jesus' first followers, we are invited to travel the difficult and joy-filled road of learning and re-learning how to be the Church.

## CROSS-SHAPED MINISTRY

Saint Paul, in today's passage from First Corinthians, admits he is not a salesman. He did not come to Corinth with a sales pitch, with skilled rhetoric and worldly wisdom. Paul says that he simply came to speak of Christ crucified. For Paul, the cross is God's primary self-revelation, and the whole life of following Christ is marked by it. Paul describes this cross-shaped ministry by how he first preached it: with humility and fear. He was a messenger who looked weak by the standards of society, in order that the Spirit might break through to his listeners.

We may know or have read of those who spoke or lived with a cross-shaped presence. Perhaps a missionary who humbly served a community while preaching Christ. Or a group of protesters against injustice, who faced violent resistance with dignity and persistence. They open a space for the Spirit to transform hearts. Paul suggests that making ourselves vulnerable makes love possible.

## TREASURES FROM OUR TRADITION

As soon as Christmas ends, people begin planning for Easter! Originally, the source of our Paschal Triduum was but a single liturgy extending from Saturday sundown to sunrise on Easter Sunday. The two days leading up to the liturgy were days of fast, not only for the elect, but for the church preparing to baptize them. A fifth-century pope explained that the church imitated the apostles, who were in hiding with their grief from the arrest of Jesus, and therefore sacraments, even penance, were forbidden. Inevitably, though, people wanted to come together, and so eventually a Liturgy of the Word developed for Good Friday. This was the first step toward today's shape of the Triduum, and gradually new ideas were embraced, including the veneration of the cross and a simple Communion service. Interestingly, the Word remained central, since we know that in those days the pope did not receive Communion at this liturgy, even though the faithful had that option. In the other churches of Rome, priests and people received Communion under both species. Although the custom of Communion on Good Friday took hold, it did not endure past the Middle Ages. The central liturgies of the year slowly unraveled and disappeared from parish life. Remember that there were no seminaries in those days, and books were a rare luxury. Most priests could only manage to celebrate a simple "low" Mass, and few parishes could afford the ritual books that would guide a priest through the complex forms. Holy Week remained important in private devotion, but for a time the liturgies virtually disappeared.

## THE LIGHT OF SERVICE

The prophet Isaiah inspires us with these words: "Light shall rise for you in the darkness, and the gloom shall become for you like midday." All of us celebrating the liturgy today praise God for these words of encouragement. Surely each of us knows the gloomy side of life, but today's readings propose a brilliant antidote to misery: the light of service. Isaiah focuses on physical suffering, telling us to provide food, clothing, housing, and equal opportunity to those with limited resources. Moving beyond material needs, Saint Paul demonstrates how to proceed humbly when attending to people's spiritual needs. Saint Matthew's Gospel stirs us to bold action: whatever gifts we have, we must put them at the service of our communities. As Christians, we must engage with one another without holding back, letting our light shine before all.

The English word "Lent" means "Spring Season", a time for new growth or renewed life and fresh beginnings. As Catholics, Lenten season is traditionally the time we promise to give up something that is meant as penance, that will deepen our faith while we grow closer to God. A regrowth or new beginning of sorts....However do we have to give up something? How about we do something? Lent is a great time to deepen your faith experience and grow closer to Christ.

Join us Tuesday nights beginning February 7th after Mass at 6:30PM for our 8-week Lenten bible study **"Why We Believe"** We will begin at the beginning with the existence of God and walk step by step through the foundations of faith. Along the way we will explain: Does God Exist? Is Jesus God? Did Jesus claim to be God? Peter and the Papacy? Did Jesus establish the Catholic Church? How Did We Get the Bible? Is the Eucharist Jesus' Real Presence? What does the Bible teach about Jesus' Real Presence in the Eucharist? Why Confess to a Priest? Purgatory and Prayers for the Dead? Where is Purgatory in the Bible?

Make that promise to "Do" something for Lent, and bring new life into your Catholic faith. We will begin with a light meal at 6:00PM so don't worry about dinner then enjoy an evening of fellowship while you discover how just reasonable, biblical, and beautiful the Catholic faith really is.

### Prayer in Time of Illness

Lord Jesus, I believe that having passed through the gate of life in baptism, I will always have your protection and comfort. Yet today the pains of my illness threaten to overcome me and cause me to forget all the good things you have given me in this life. I pray in confidence that you would send forth your Spirit to refresh and revive me as you have always done in the past.

May I continue to witness to your goodness in this life so that I may be with you at the heavenly banquet table in eternity. Amen.
