

## Scarlet Aquatics Volunteer Credits

Volunteer Credits are assigned per swimmer for each season. Credits are based on the particular training group of the swimmer, how many meets the swimmer is expected to attend, amongst other criteria. If a family has multiple swimmers, credits will be assigned and required for each swimmer. Volunteer credits are expected to be completed by season end; if a swimmer is in “negative balance” of volunteer credits, the account will be charged **\$50 per missed credit**. *Volunteer obligations are to be performed by the swimmer’s parent/guardian.*

*Volunteering allows swim meets to run; without our volunteers, swimmers would not be able to compete; you make competition for our swimmers possible.*

Parents will be able to sign up for volunteer positions through their Captyn Portal.
