

HOFF **Mark** **Quality Policy** “Hitting the Mark, EVERYTIME!”

At HoffMark Manufacturing Services, our **Quality Policy** is:

- **Satisfy applicable requirements for our customers** by delivering parts on time, with the right quality, and proper documentation.
- **Meet applicable requirements from interested parties**, including regulatory, certification, and external process providers.
- **Prevent counterfeit goods through** verification, supplier control, and traceability.
- **Continually improve our processes** by tracking performance indicators and taking corrective actions when needed.
