

RESOLUTION NUMBER 06- 01

**A RESOLUTION ESTABLISHING THE FEES FOR GRAVE
OPENING AND CLOSING IN WALNUT HILL CEMETERY**

WHEREAS:

There is ample evidence, by review of financial reports from the Cemetery Fund, that current fees for grave opening and closing are not sufficient to maintain the cemetery.

WHEREAS:

The information gathered in a Public Hearing (8/24/06) on the subject indicates that a fee increase is required to enable continued service. As determined in the public hearing, with the sitting City Council in attendance, the increase is needed immediately.

**NOW IT IS RESOLVED BY THE CITY COUNCIL OF COTTER,
ARKANSAS:**

Effective October 1, 2006 the fees for grave opening and closing in Cotter's Walnut Hill Cemetery will be \$450.00 during the week and \$550.00 on the week end and holidays. In addition to these fees, if blasting is required for rock removal, the entire cost of the blasting will be added to the normal fees.
