File Formats: Prints 12x18, or smaller, we accept 8-bit .jpg in RGB mode. For 13x19, or larger, we can accept .jpg, .tiff, and .psd.

Limit of Liability: Precision Camera & Video is not responsible for orders or items left over 30 days. Submitting any digital media, film, print, slide, artwork or other work to PCV for processing, printing or handling constitutes an agreement by you that any damage or loss by this company, its subsidiaries, affiliates or agents, even due to our negligence or other fault, will only entitle you to replacement with a like amount of unexposed film and processing or similar type and capacity of digital media. Except for such replacement, the acceptance by us of any digital media, film, print, slide, artwork or other work is without warranty, expressed or implied, or other liability. Recovery for any incidental or consequential damage is also excluded and no warranty is given for lost, damaged or deleted images. Many images are produced in public areas. Misuse or public displays of images under these conditions carries the same limits of liability except that no value is given to any images.

File Sharing: As a courtesy, we can place image files on dropbox and share a link with you. You don't need a dropbox account to view or download the images. Files remain in dropbox for 30 days unless otherwise noted. Removal or deletion from dropbox does not affect copies of files you have downloaded. Precision Camera & Video is not affiliated with Dropbox, Inc. and makes no guarantees to our access and use of, or your access and use of services provided by dropbox.com. Any charges incurred, even if related to the use of dropbox, are originated by and for services of Precision Camera & Video and do not obligate you, us or Dropbox, Inc. to any contract for goods or services or compensation for undelivered goods or services, even in the event of negligence by agents of Precision Camera or Dropbox, Inc. By using dropbox.com, you also agree to their terms. <https://www.dropbox.com/dmca#terms>

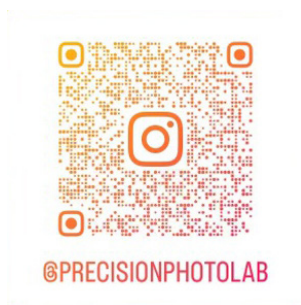

We Observe Copyright Laws: The Federal Copyright Act gives "copyright" protection to "authors" for their "original works," such as photographs and printed material.
