

Community Educational Opportunity:
Alzheimer's Disease & Dementia Discussion

Join us for a supportive, easy-to-understand session with Dr. Diana Kerwin, a board-certified geriatrician and internationally recognized expert in Alzheimer's and dementia research with over 20 years of experience. She will share helpful insights on:

- Education and awareness about dementia-related illnesses
- The importance of early diagnosis
- Practical support for families on the caregiving journey
- Connecting to resources, education programs, and local services

Dr. Diana Kerwin, MD, CPI
President & Founder, Dementia Studies Foundation
President & Founder, Kerwin Medical Center

Wednesday, February 25, 2026 | 2:00 PM

Countryside Senior Living & Memory Care of Athens

This free, informal talk is open to residents, family members, caregivers, and anyone in the community who wants to learn more in a welcoming, no-pressure environment. Light refreshments will be provided.

COUNTRYSIDE
SENIOR LIVING & MEMORY CARE

Sponsored in collaboration with the Dementia Studies Foundation – dedicated to brighter futures through education, awareness, and support for those affected by dementia. Let's come together to learn, connect, and give thanks for the knowledge that helps us care better.
