About Me

I am from Newburgh IN.

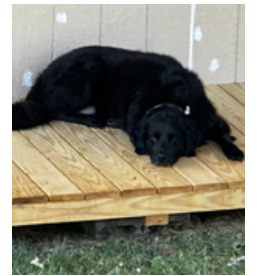

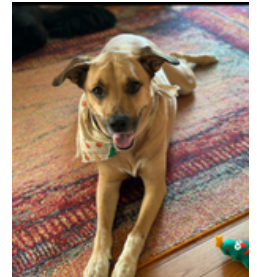

I have been married to my incredible husband for 22 years and we have 3 amazing kids, 1 sweet daughter in law, and 2 sweet rescue dogs!

With a degree and background in healthcare, I have always been passionate about helping others. I have been fortunate to be a stay at home Mom for several years now, and really wanted to find a way to use my passion again. It's also something that my Mom and I had talked about doing together. Sadly, we lost her to cancer in 2001. I feel like a part of me is honoring her as I advocate for these incredible kiddos.

HOBBIES

Reading, spending time with my family at our lake house and boating. Along with CASA, I am a member of the NICU Parent Support Board at The Women's Hospital, and I am a huge supporter of animal rescues.

Why I became CASA?

CASA is such an amazing organization. I felt immediately welcomed from the moment I stepped in the door for our first training session. It is extremely evident that everyone loves what they do and are truly supportive of all of us.

What advice would you give someone who is thinking of becoming a CASA?

Take that first step and attend training! The staff is always there to help and support you!

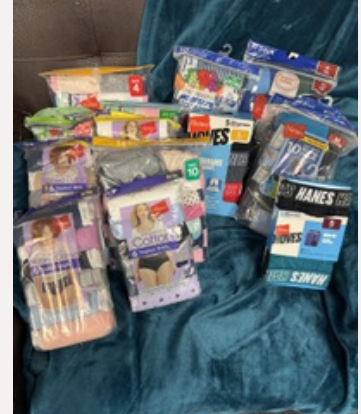

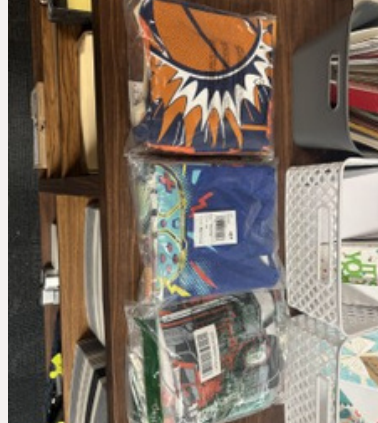

There are so many children that need someone in their corner, be that person!

The feeling of knowing that you are making a difference is beyond rewarding!

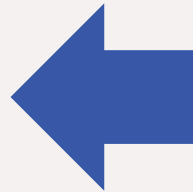

Thank you to our community supporters!

We couldn't support our CASA family needs
without your kindness.

WARRICK CO CASA SCHOLARSHIP

The grant/scholarship can be used for college as well as trade programs, so please take some time to review it because many of our past CASA kids might be able to benefit from it.

The application is available on our website at

BIRTHDAY REIMBURSEMENT PROGRAM!!

CASA is now able to purchase up to **\$100** per kiddo for their birthday!

This can be reimbursed to an advocate by bringing in receipts or a check can be issued up front with expectations of receipts being provided after purchase.

Any questions??
