ADVOCATE SPOTLIGHT

DAN BUGHER

About Me

I've been in Newburgh for 25 years now, having moved here from Indianapolis where I grew up, went to high school and to Butler University. I was born in Hammond, IN I try to do my small part. I take my role seriously but also like to have fun. I enjoy being a new grandfather and I pray everyday that my family comes closer to faith in Jesus as the leader of their life.

HOBBIES

I enjoy the Chicago Cubs, playing pickleball, reading, doing part time notary work, and working on the board of the Evansville Rescue Mission.

Why I became CASA?

CASA is a vital program to provide hands-on assistance for vulnerable kids who are caught up in the issues of their parents. CASA finds solutions for the kids that help restore families and break the negative cycle that the kids might otherwise repeat. We all need to find ways to give back and help people in our community.

What advice would you give someone who is thinking of becoming a CASA?

CASA needs your help - today. From having more caring and committed advocates to financial resources that support its programs to volunteers who pitch-in to support the organization with time and goods for families.

It's rewarding to be an advocate and part of the solution to our community's needs. Sometimes it's trying and may even seem futile, but in the end something good is being done and you get to be part of that. You are always well supported by the team.

Thank you to our community supporters!

We couldn't support our CASA family needs
without your kindness.

CASA is now able to purchase up to **\$100** per kiddo for their birthday!
